

# **ANNUAL SCIENTIFIC REPORT 2001 - 2002 ESC WORKING GROUP ON CARDIOVASCULAR MAGNETIC RESONANCE (#26)**

- *Statement of the objectives of your Working Group*

- to promote and organise research in the field of Cardiovascular Magnetic Resonance
- to gather and exchange information regarding research and related activities within the Working Group and of interest to members of the Working Group
- to contribute to the organisation and preparation of the annual ESC Congress, and to participate and support other scientific meetings and symposia
- to establish appropriate recommendations for the ESC regarding the field of Cardiovascular Magnetic Resonance
- to organise teaching workshops on suitable topics
- to arrange Task Forces to discuss issues of contemporary importance to the Working Group and publish appropriate guidelines and recommendations
- to design and coordinate multicentre research trials in Magnetic Resonance in Cardiology
- to hold regular meetings of the Working Group

- *Number of sessions organized at the ESC Annual Congress*

Stockholm 5

Berlin 4

- *Activities run outside the ESC Annual Congress*

ETP at Heart House. May 17-19 2001. Chairman: Professor Dudley Pennell

EuroCMR – Annual Scientific Sessions. Basel, June 21-22, 2002. Chairman of organizing committee Professor Peter Buser

- *Membership of your Working Group*

Approximately 150

- *Registries, Surveys*

None

- *Study Groups*

A writing group is in place developing a joint statement on “Indications for CMR” in collaboration with the Society of Cardiovascular Magnetic Resonance

- New officers 2002-4

In Berlin 2002, the officers will become:

Chairman – Prof Frank Rademakers, Belgium  
Vice Chairman – Prof Peter Buser, Switzerland  
Past Chairman – Prof Dudley Pennell, UK  
Treasurer – Dr Herbert Frank, Austria

Prof. D.J. Pennell  
Chairman, Working Group on Cardiovascular Magnetic Resonance
