European Heart for Children

- **Humanitarian Foundation
under French law**
- **Located in Nice at the EHH**

EHC: Mission

"To promote knowledge and treatment of Congenital Heart Disease (CHD) and related disorders in children and young adults in ESC member countries and beyond."

EHC: *How to achieve the mission*

Long term projects (20 years)

- **By becoming a supranational body for paediatric cardiology worldwide**
- **By harmonizing, coordinating and improving activities and research of already existing institutions**

EHC: *How to achieve the mission*

Short term projects (6-8 years)

- **In three countries only**
- **Economical support for missions**
- **Provision of group training grants**
- **Establishment of a centre for CHD**

Economical support for missions

**ESC will not conduct missions but
will support:**

- **Bambini cardiopatici nel mondo**
- **La Chaine de l'espoir**
- **Chain of Hope**

EHC: *How to achieve the mission*
