

Elections to EACVI Board and Sections 2016-2018

**Application for the
position:**

Councillor

1. Your Identity

Title: Professor of cardiology

Family Name(s): Matskeplishvili

First Name(s): Simon

Birth Date: December 15, 1972

Type of address: Business

Institute/Organization: University Clinic,
Lomonosov Moscow State University

Department: Department of cardiology and cardiac surgery

Address: 27/10 Lomonosov avenue

Post Code/Zip: 119991

City: Moscow

Country: Russia

Elections to EACVI Board and Sections 2016-2018

2. General Curriculum Vitae (300 words max)

Simon Matskeplishvili, MD, PhD, FESC, FACC

Professor of Cardiology,
Chairman, Section of Echocardiography of the Russian Society of Cardiology,
Head of Department of cardiology and cardiac surgery, University Clinic, Lomonosov
Moscow state university,
Senior Lecturer, Lomonosov Moscow state university Faculty of medicine

- 1994 Doctor of Medicine, graduated with Honors (“Summa cum Laude”) from I.M. Sechenov Moscow medical academy
- 1994-1996 Fellowship in cardiology, Bakoulev scientific center for cardiovascular surgery, Russian academy of medical sciences, Moscow
- 1997-1998 International Master in Cardiology, Institute of clinical physiology of the National research council of Italy, Pisa, Italy
- 1998 Member of the Working Group on Echocardiography of the European Society of Cardiology
- 1999 Candidate of medical sciences dissertation (Ph.D.)
- 2001 “European cardiologist” Diploma, European commission for medical specialties and European society of cardiology
- 2002 Doctor of sciences dissertation (D.Sc.)
- 2003 Fellow of the European Society of Cardiology
- 2003 Member of the European Association of Echocardiography
- 2005 Fellow of the American College of Cardiology
- 2005 Founder and Chairman, Working Group on Echocardiography of the Russian Society of Cardiology
- 2005 Marie Curie Medal of the Institute de France, French Academy of Sciences, Paris
- 2007 Full professor of cardiology
- 2010-2012 Member of the Nominating Committee, European Association of Echocardiography
- 2012-2014 Director, Educational program in cardiology and cardiovascular imaging, Department of healthcare of the city of Moscow
- 2013 Laureate, Prize for innovation in science and technology of the Government of the Russian Federation for the development of new non-invasive method of intracardiac blood flow evaluation
- 2014-2016 Special Coordinator of the ESC Congress Programme Committee
- 2015 Executive Board member of the Russian Society of Cardiology
- 2015 EACVI Gold member

Elections to EACVI Board and Sections 2016-2018

3. Previous experience(s) in the EACVI or ESC or your National Bodies?

1998	Member of the Working Group on Echocardiography of the ESC
2003	Member of the European Association of Echocardiography
2003	Founder of the Working Group on Echocardiography of the Russian Society of Cardiology
2010-2012	Member of the Nominating Committee of the European Association of Echocardiography (EAE)
2013-2016	Chairman of the Section of Echocardiography of the Russian Society of Cardiology
2014	Editorial Board Member, European Heart Journal Cardiovascular Imaging
2014-2016	Special Coordinator of the ESC Congress Programme Committee
2014-2016	Member of the Education, Certification and Accreditation, European Communities Committees of the European Association of Cardiovascular Imaging

4. Are you a Board or Nucleus Member of another scientific organisation? If Yes, please specify

Executive Board member of the Russian Society of Cardiology

Chairman of the Section of echocardiography of the Russian Society of Cardiology

Elections to EACVI Board and Sections 2016-2018

5. Publications (please list 10 max)

Author and co-author of books:

Transesophageal echocardiography in surgery for coronary artery disease (1999), Guidelines on the functional and stress testing in cardiology (2001), Ischemic heart disease in patients with severe left ventricular dysfunction (2001), Clinical cardiology – diagnosis and treatment (2002), Percutaneous interventions for coronary artery disease (2002), Lectures in cardiovascular surgery (2003), Acute coronary syndrome – diagnosis and treatment (2004), Clinical angiology and vascular surgery (2004), Ischemic heart disease and heart failure – diagnostic and treatment algorithms (2009), Lectures in cardiology (2010), Acute coronary syndrome in clinical practice – strategic and practical recommendations (2012), Ischemic mitral regurgitation – from diagnosis to treatment (2013), Heart failure (2015)

Elections to EACVI Board and Sections 2016-2018

6. Why are you interested in joining the EACVI Board (150 words max)?

Dear Colleagues,

It is my greatest honor to apply for the position of a Councillor for the Board of the European Association of Cardiovascular Imaging 2016-2018.

Our Association is leading in fields of education, research and clinical applications of imaging modalities throughout the world.

I will try to further strengthen its role by:

1. Giving more value to the EACVI membership by implementing new types of educational products; guidelines, position papers and appropriateness criteria for the use of imaging in cardiology;
2. Introducing evidence-based clinical imaging in the curriculum of the medical school and universities;
3. Providing true multidisciplinary environment for our colleagues from different imaging and non-imaging societies for a joint and mutually fruitful evolution;
4. Increasing EACVI membership with the very big Russian-speaking imaging community from many countries and making them active and valuable members of the EACVI.

I am ready and I will be happy to use all my knowledge and experience to serve our Association and each of its members.
