

European Association for Cardiovascular Prevention and Rehabilitation

www.escardio.org/EACPR

Mission statement

"To promote excellence in research, practice, education and policy in cardiovascular prevention and rehabilitation in Europe".

EACPR Strategic Plan

www.escardio.org/EACPR

Strategic plan

The **underlying principles** of the strategic plan of the Association are:

- To bring together the expertise of the 6 Sections in Board Committees of the Association responsible for our key assets
- To support all aspects of the ESC prevention and policy agenda

Members: Senior Consulting Editors, Associate Editors, Treasurer, President Elect, President, representatives of the ESC Scientific Division and the Publishers.

Role: Scientific and business policies of the journal.

Prevention Implementation

Board Committees

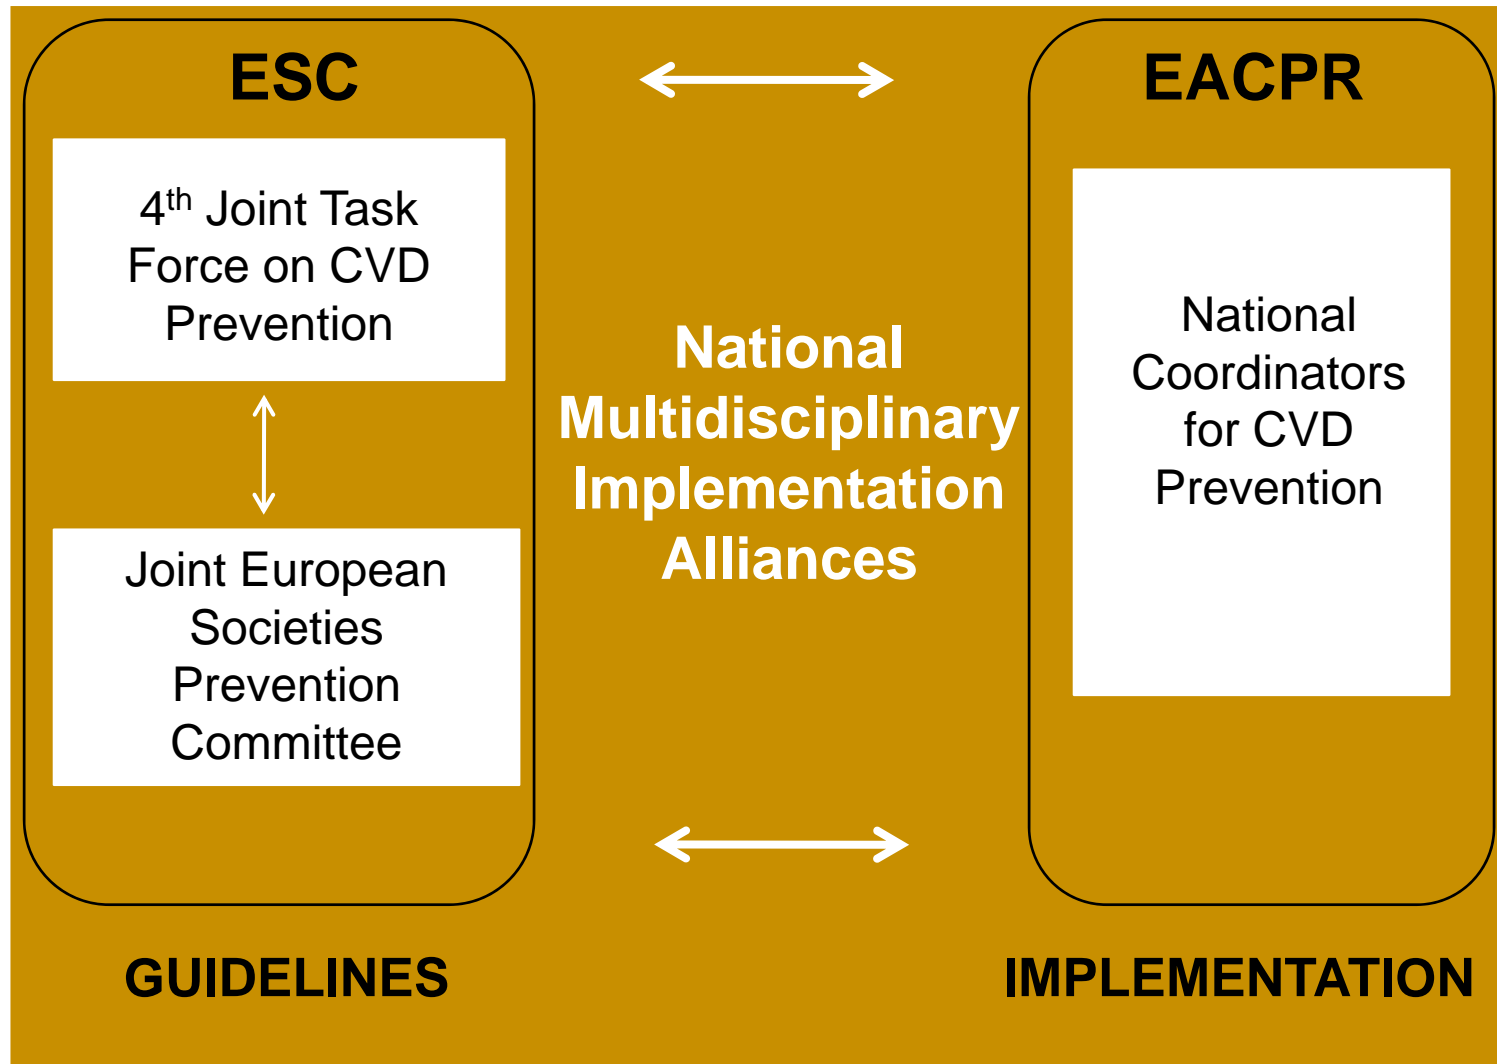

Prevention Implementation Committee

Chairs ***Prof Ian Graham and Prof Pantaleo Giannuzzi***

Members: Prof Lars Ryden, Joint Chair of the ESC European Affairs Committee, Professor Hugo Saner, Section representatives, President Elect, President, Muriel Mioulet, ESC Director of External Affairs, and Sophie Squarta

Role: Implementation of the prevention guidelines

ESC Prevention Agenda

Prevention 'Call for Action'

National Coordinators on CVD Prevention

- National multidisciplinary Task Forces on CVD prevention
 - National strategies
 - Evaluation

Prevention Implementation

- Call to Action – mapping outcomes
- Bench marking
- Health economic modelling
- Developing an “how to” implementation manual
- Inventories of prevention & rehabilitation services
- Demonstration projects
- Audit
- Research into implementation

Education and Training

Board Committees

Education and Training Committee

Chair *Prof Dan Gaita + Prof Simona Giampoli*

Members: Section representatives, President Elect, President, and Dr Keith McGregor, ESC Science Director.

Role: Education and training and accreditation.

Education and Training

- Core Curriculum in Preventive Cardiology & accreditation
- Post-graduate education and training programmes
 - Master Classes in Preventive Cardiology
 - Cardiac Rehabilitation courses (Bern)
 - CCNAP Preventive Cardiology Course
- Textbook of Preventive Cardiology

Science and Guidelines
