

RULES AND REGULATIONS

The European Heart Rhythm Association (EHRA) is a registered branch of the ESC. Its mission is " To improve the quality of life of the population by reducing the impact of cardiac rhythm disturbances and reduce sudden cardiac death". Membership of the Association is open to clinical cardiologists, basic scientists, in training, nurses and allied professionals interested or working in the field of heart rhythm.

In accepting these Rules and Regulations you are agreeing, to:

- follow the membership application process
- connect with the vibrant community of arrhythmias and electrophysiology experts
- receive the membership benefits where appropriate

MEMBERSHIP BENEFITS

EHRA Membership benefits include the following:

- Joining the leading network of European Cardiac Rhythm Management
- Reduced registration fee for the annual EHRA EUROPACE Congress
- Reading and contributing to the EP Europace Journal
- Reduced registration fee to EHRA educational offers
- Receiving the EHRA quarterly e-Newsletter

As a member of the EHRA, you automatically become a member of the ESC and have access to all ESC membership benefits:

- Discount prices on the ESC Educational Products
- Preferred subscription rates to some ESC journals
- Receipt of all ESC/association congress related information
- Receipt of all ESC/association Educational Programme information
- Online version of the quarterly ESC Newsletter

MEMBERSHIP PERIOD

The EHRA Membership period is based on calendar year (Jan – Dec), subject to renewal every year. You may be reminded in due time to renew your membership.

FELLOW OF EHRA APPLICATION PROCESS

Applications can be made when call for applications are open. Candidates are required to complete the application form and submit it online.

DATA PRIVACY

You have personal data, which is, according to the Law on data processing and Civil Liberties 78-17 of 6 January 1978 modified, registered with the European Society of Cardiology (ESC) and its constituent membership body for which membership is requested. The information you supply on this form is required to process it and it will be held in the ESC customer data files. It may be used for marketing and communication purposes by the ESC, its constituent membership body and their contractors only. You have the absolute right to access, amend and oppose any use of this personal data by writing to the ESC at the address mentioned below or by using the 'Contact Us' form here, European Society of Cardiology - Data Privacy :2035 Route des Colles - Les Templiers - BP 179 - 06903 Sophia Antipolis Cedex – France.

Please note: As an EHRA member, one of the important benefits is to receive the EHRA e-Newsletter reserved for EHRA members, enabling you to be informed about the activities of the Association. By applying to become a member you are assumed to agree to receive electronic and surface mail concerning the activities of the Association.
