

## CURRICULUM VITAE

---

### Jean-Philippe COLLET MD, PhD

- Institut de Cardiologie-UMRS 166- Hôpital de la Pitié-Salpêtrière-75013 Paris
- Sorbonne Université.
- Phone: 00 331 42162962
- Fax: 00 331 42162931
- E-mail: [jean-philippe.collet@psl.aphp.fr](mailto:jean-philippe.collet@psl.aphp.fr)
- Identifiant RPPS : 10001488013
- CNOM : 7562963
- ADELI : 751639626

### Administrative and Academic Appointments

#### Director of the Interventional Catheterization Laboratory

- Interventional Cardiologist at the Institut de Cardiologie of the Hôpital de la Pitié-Salpêtrière\_Sorbonne Université, 75013 Paris.

#### Director of the Cardiovascular Training Program at Sorbonne Université

- Professor of Cardiology at Sorbonne Université

#### Director of the Research Unit on Thrombosis, Atherothrombosis and Applied Pharmacology (Team 2; UMRS\_1166)

- Main research objectives:
  - New models for experimental thrombosis
  - Demonstration of the prognostic role of biomarkers
  - Comparative evaluation of antithrombotic therapies
  - Reassessment of antithrombotic drug regimens (PK and PD models for drug evaluation)
  - Phase 1 study for oral antithrombotic treatment
  - Core laboratory for angiography and biology
  - Randomized trials ([www.action-coeur.org](http://www.action-coeur.org)).

#### Senior Researcher at the Academic Research Organization ACTION (action-coeur.org)

- Founding and senior member

#### Associate Editor at JACC Intervention since 2018

### Certifications and Scientific Societies

- Specialist in cardiology (MD), Université Paris XII
- PhD in Thrombosis, University of Rouen, France
- Member of the French Society of Cardiology
- Member of the European Society of Cardiology (FESC)
- Nucleus Member of the Working Group 18 (Thrombosis)
- Member of EAPCI
- Member of the Clinical Practice Guidelines Committee

### Research Activities

Dr Jean-Philippe Collet is a Professor of Cardiology at Pitié-Salpêtrière Hospital (APHP) where he leads the interventional catheterization unit (PCI and TAVI). He is also the director of Cardiovascular Training Program at Sorbonne Université. His main expertise is in the field of thrombosis, the effect of antithrombotic agents and the development of new devices for structural

## CURRICULUM VITAE

---

heart intervention. He is a member and a founder of the Academic Research Organization A.C.T.I.O.N (Alliés in Cardiovascular Trials, Initiatives and Organized Networks) ([www.action-coeur.org](http://www.action-coeur.org)). He has led clinical trials as a principal investigator (AMERICA, DOSAPI, ARCTIC and ATLANTIS). He has several commitments in the ESC. He is a Fellow of the European Society of Cardiology, a member of the nucleus of the WG Thrombosis and a member of the Clinical Practice Guidelines Committee. He has served as the Chair of the EAPCI scientific program for two years and is now co-chairing the upcoming 2020 NSTE-ACS guidelines.

### Publications

- Articles: 480
- Book chapters: 45
- Abstracts: 200
- H-index=160
- Score SIGAPS 2014-2019 : 1682

### Major publications

1. **Collet JP**, Zeitouni M, Procopi N, Hulot JS, Silvain J, Kerneis M, Thomas D, Lattuca B, Barthelemy O, Lavie-Badie Y, Esteve JB, Payot L, Brugier D, Lopes I, Diallo A, Vicaut E, Montalescot G; ACTION Study Group. It is my great privilege to declare my candidacy for the Nominating Committee of the European Society of Cardiology.

I have been serving ESC for many years as a member of CPC and more recently of the CPG.

These experiences were truly enriching scientifically but also as human being.

I do not seek for any position but I would be happy to continue to serve ESC as best as I can.

Yours Sincerely

*Professeur Jean Philippe COLLET*

*PUPH*

Information aux patients : vous êtes informé(e) que les données à caractère personnel vous concernant, recueillies dans le cadre de la gestion administrative et de votre prise en charge à l'hôpital, peuvent être utilisées à des fins de recherche dans le domaine de la santé, sous la responsabilité de l'AP-HP. Notamment, un Entrepôt de Données de Santé (EDS) a été créé afin de permettre la réalisation de recherches non interventionnelles sur données, d'études de faisabilité des essais cliniques et d'études de pilotage de l'activité hospitalière. Pour plus d'informations relatives à chaque recherche, aux données utilisées, aux destinataires des données, aux durées de conservation des données et aux modalités d'exercice de vos droits, vous pouvez consulter le portail d'information de l'EDS à l'adresse <http://recherche.aphp.fr/eds>. Pour vous opposer à l'utilisation des données vous concernant à des fins de recherche, vous pouvez vous adresser au bureau des usagers ou directeur de l'hôpital où vous avez été pris en charge ou remplir le formulaire d'opposition électronique disponible à l'adresse <http://recherche.aphp.fr/eds/droit-opposition>.
