Prof. Jeroen J. Bax, FESC

ESC Immediate Past President

Chairman of the Nominating Committee of the ESC Board

Dear Prof. Bax

Serving the ESC community is my important aspiration, as my current roles within the EAPC demonstrate.

I would be really happy to contribute to the activities of the ESC through election in the Nominating Committee of the ESC Board, in representation of the EAPC. In any case, it is a great honour to be considered for the next elections.

The Nominating Committee task is very important and critical. In the case of nomination, I can guarantee the greatest commitment, attention and all the necessary time.

Sincerely yours
