ESC Past President and ESC Nominating Committee Chair 2020 - 2022  
European Society of Cardiology  
The European Heart House

11th November, 2021

*Application for the position of Councillor*

To whom it may concern,

With this letter I would like to apply for the position of Councillor to the ESC in the next Board beginning 2022. I am a FESC in good standing and Immediate Past President of EAPCI, which are relevant qualifications for the position.

As a councillor to the board of the ESC the responsibilities are “to serve the ESC mission, contribute to the development and implementation of the ESC strategic plan, and respect of the code of conduct and ESC board policies”. As the immediate past president of the EAPCI, I remember my time on the ESC board and can serve to shape the future with the knowledge of the past. The councilor role can focus on specific areas, and as shown in my previous roles, I have a particular interest in furthering the cause for women, the patient initiative, and support for the implementation of the new medical devices code.

I hope to be able to serve our society in this role for the coming two years

Sincerely

Andreas Baumbach
