Dear Professor Casadei

**Re: ESC Nominating Committee**

I am honoured to have been proposed by Professor Lis Neubeck, President, of the ESC Association of Cardiovascular Nursing and Allied Professions (ACNAP), to serve on the ESC nominating committee 2022-2024 on behalf of ACNAP.

I am a Fellow of the ESC with four years of ACNAP Board experience (Treasurer 2018-2020 and Secretary-Treasurer 2020-2022), as well as Chairing the ACNAP Science Committee (2020-2022). I am committed to ensuring that ESC continues its exceptional work through supporting the selection of the best candidates to serve on the ESC board. With >22 years cardiovascular nursing experience, and my ESC ACNAP experience, I possess the necessary experience, knowledge as skills to fulfil this role and I will undertake the duties of the nominating committee with professionalism and integrity.

I look forward to hearing from you in due course

Yours sincerely
