

Ms. Teresa GLYNN, Ireland

Teresa Glynn is Global Heart Hub Senior Executive of Strategy & Partnerships. [Global Heart Hub](#) is the first global non-profit organisation established to provide a voice for those living with or affected by cardiovascular disease. It is an alliance of heart patient organisations, aiming to create a unified global voice for those impacted by heart disease. In this role Teresa drives strategy development and execution for the Global Heart Hub as the organisation continues to grow and collaborates with key stakeholders globally in addressing the challenges of cardiovascular disease.

Prior to joining the Global Heart Hub, Teresa's professional journey spanned 20+ years in the medical technology industry as part of the Medtronic team. Her extensive career included responsibility for customer engagement, communications and philanthropy across national and international platforms, resulting in considerable experience in understanding and responding to stakeholder needs, strategy development, collaboration and partnership management.

Building on this experience, in more recent years, she has followed a path aligned with her passion and special interest in patient advocacy.

Holding an MSc in Leadership, Teresa lives in Galway on the west coast of Ireland.
