How to use the Access Code

You have been invited to attend ESC Congress 2022, from 26 to 29 August.

Please note:

• It is mandatory to be registered to access the congress.
• You need to activate your access code to confirm your registration
• Access codes are non-transferable

Follow these simple steps
to activate your access code and confirm your registration
Enter your personal My ESC account details using the access code

If you already have a My ESC Account, fill in the Email address and Password

If you do not have a My ESC Account, please sign up to create your My ESC Account

For any questions about your My ESC Account, we invite you to consult the dedicated web page.
Enter your Access Code and click on ‘Apply’

To register to the above event using your access code:

Please enter your code here below to finalise your registration.
If you think you have been invited by an industry and do not have an access code please contact your sponsor.
If you have a problem validating your access code please send a message via "Contact us"

Enter your code here...
Finalise your Registration

• As you have been invited there is no payment requested

• You must read and accept the Terms & Conditions as well as the General Terms of Sales

• Then click on “Complete order”
Your registration is now confirmed – A confirmation is sent to your email address

We invite you to consult the ESC Congress web pages for the latest information on the scientific programme and other activities. An application will be submitted for accreditation to the European Accreditation Council for Continuing Medical Education (EACCME®) to provide CME activities for attending medical specialists. Please check the registration page for updates.

If you have a problem validating your access code

• My ESC has been optimised for the latest version of browsers, such as Internet Explorer, Firefox, Google Chrome and Safari in their latest version. You may experience problems if you use browsers older than Internet Explorer 11 and Firefox 70, for example. We highly recommend to use one of the mentioned browsers.
• Delete cookies and/or cache history, then try to sign in again
• If you still have a problem, please send us a message via the "Contact Us" form
