

ESC Preventive Cardiology 2025

ABSTRACT REVIEWING COMMITTEE

The ESC Preventive Cardiology Programme Committee would like to acknowledge the valuable contribution of the abstract reviewing committee members for having reviewed and graded the abstracts submitted to ESC Preventive Cardiology 2025. Reviewers are not, at any time, aware of the names of the authors, institutions and countries of origin of the abstracts. This process is essential to the evaluation and selection of the abstracts by the ESC Preventive Cardiology Programme Committee.
