

ESC Preventive Cardiology 2024

CLINICAL CASE REVIEWING COMMITTEE

The ESC Preventive Cardiology Programme Committee would like to acknowledge the valuable contribution of the clinical case reviewing committee members for having reviewed and graded the abstracts submitted to ESC Preventive Cardiology 2024.

Reviewers are not, at any time, aware of the names of the authors, institutions and countries of origin of the clinical cases.

This process is essential to the evaluation and selection of the clinical cases by the ESC Congress Programme Committee.
