How to use the Access Code

You have been invited to attend Heart Failure 2024, from 11 to 14 May.

Please note:
- It is mandatory to be registered to access the congress.
- You need to activate your access code to confirm your registration.
- Access codes are non-transferable.

Follow these simple steps to activate your access code and confirm your registration.
1. Click here for the link to confirm your registration

2. Enter your My ESC account details
(your account should be in your name and is personal to you)

If you already have a My ESC account, enter your email address and Password

If you do not have a My ESC account, create one

For any questions about your My ESC Account, consult the Help Centre.
3. Enter your Access Code and click on ‘Apply’

Please note that each code is individual and can only be used once.

If you get a message "Invalid Code" double check you have entered it correctly. If you are sure the code is correct, and you still get an error message, contact your sponsor or group contact as the message could be for the following reasons:

- The code has already been used by another participant
- You are an Exhibitor and your group contact has already entered your details
- The code provided is incorrect
4. Finalise your Registration

- As you have been invited there is no payment requested

- You must read and accept the Terms & Conditions as well as the General Terms of Sales

- Then click on “Complete order”
5. Your registration is now confirmed – A confirmation is sent to your email

We invite you to consult the Heart Failure Congress web pages for the latest information on the scientific programme and other activities. An application will be submitted for accreditation to the European Accreditation Council for Continuing Medical Education (EACCME®) to provide CME activities for attending medical specialists. Please check the registration page for updates.

If you have a technical problem validating your access code

• My ESC is optimised for recent browsers such as Firefox, Google Chrome, Safari and MS Edge in their latest version. You may experience problems if you use browsers older than Internet Explorer 11 and Firefox 70, for example.
• Delete cookies and/or cache history, then try to sign in again
• If you still have a problem, please send us a message via the "Contact Us" form
