Personal Data privacy

The information collected in [the endorsement form] is subject to data processing to [confirm endorsement by the NCS and their intention to translate]. [The endorsement of the ESC Guidelines not being systematic, failure to provide the above data will result in non-endorsement and abandoning the right to translate]. The recipients of the data are ESC Staff who process the forms. Data collected will be kept until publication of the next version of these guidelines (usually 4-5 years) as the task force retires only when the next one is put into place and then archived for 25 years. In accordance with the section 2 of the chapter 3 of the European Regulation 2016/679 with regards to data protection, you have the right to request from the ESC, access to and rectification or erasure of your personal data or restriction of processing concerning your data or to object to processing as well as the right to data portability. For such, please contact dataprivacy@escardio.org (be aware that a proof of identity will be requested during the process via a secured web link). You have the right to lodge a complaint with a supervisory authority, and for information, ESC has appointed a Data Protection Officer that you can reach at dpo@escardio.org.
