COMPLEX CLINICAL SCENARIOS IN INTERVENTIONAL CARDIOLOGY:

WHAT IS THE ROLE OF GENDER MEDICINE?

GENERAL AND SCIENTIFIC INFORMATION

How to Register

The registration is free of charge but it is mandatory in order to participate.

Registration deadline **15 September 2020**

IMPORTANT: To participate it is mandatory to have a ZOOM account. If you don't already have a Zoom account, you can create one [HERE](#).

IN CASE OF NO INTEREST FOR ITALIAN CME CREDITS:

If you'd like to register but you are NOT interested in obtaining the Italian CME credits, write a simple request e-mail with your personal data to medgen2020@scientificpress.it

IN CASE OF INTEREST FOR ITALIAN CME CREDITS:

If you'd like to register and you are interested in obtaining the Italian CME credits, please click [HERE](#), click on the Sign in button ("Accedi") and follow the required registration procedure related to CME accreditation.

GENERAL AND SCIENTIFIC INFORMATION

Crediti Formativi ECM *(only for Italian attendees)*

I crediti assegnati all'evento sono **7,5** e sono rivolti a: Medici Chirurghi (Cardiologia, Cardiochirurgia), Infermieri, Tecnici della fisiopatologia cardiocircolatoria e perfusione cardiovascolare.

Le sessioni del 17 e 24 settembre sono accreditate come unico evento formativo, quindi avranno diritto ai crediti ECM solo coloro che saranno presenti al 90% delle ore formative complessive e che avranno compilato il questionario online rispondendo esattamente almeno al 75% del totale delle domande proposte.

Il questionario sarà disponibile per la compilazione dalla fine della seconda sessione del 24 settembre, fino alle ore 23.59 del 27 settembre. In caso di mancato superamento del questionario, sarà necessario seguire nuovamente le lezioni per tutta la durata. Dopo la visione il questionario ECM si abiliterà e sarà possibile compilarlo di nuovo, fino ad un massimo di 5 tentativi.

I crediti formativi ECM saranno certificati dal Provider Scientific Press (Nr. 245) sulla base di quanto disposto sull'Accordo Stato Regioni del 2/2/2017 in materia e da quanto ad esso collegato.

Obiettivo formativo: Applicazione nella pratica quotidiana dei principi e delle procedure dell'evidence based practice.

WITH YOU

Patients. Our mission for life.

We have all chosen to belong to a community with a single passion: helping patients live longer, healthier and more productive lives. At Edwards Lifesciences, we are driven by the intrinsic certainty that there are always better ways to transform patient care. So when we each ask ourselves, “Is it possible?” – the answer must be yes. Because together, we can do even more to help patients. *We’re on a mission to change lives.*
