

## ACNAP MENTORING PROGRAMME

### Julie Sanders Research mentor

<b>Discipline</b>	Cardiovascular nursing, cardiac surgery
<b>Qualifications</b>	BSc (Hons), MSc, PhD
<b>Affiliation</b>	St Bartholomew's Hospital, Barts Health NHS Trust and William Harvey Research Institute, Queen Mary University of London
<b>Country of residence</b>	United Kingdom
<b>Link to external web page/research website with publication list</b>	<a href="https://www.qmul.ac.uk/whri/people/academic-staff/items/sandersjulie.html">https://www.qmul.ac.uk/whri/people/academic-staff/items/sandersjulie.html</a>
<b>Career overview</b>	<p>I have &gt;20 years' experience in cardiovascular clinical and academic nursing. I have a wealth of experience in a range of research methodologies (primarily quantitative) and in my current role I am responsible for developing research and clinical academic career opportunities (internships, MSc, PhD, post-doc) for nurses and allied professionals (AP) in cardiovascular care. I am particularly interested in mortality, morbidity and patient reported outcomes after cardiac surgery.</p> <p>I have a good national and international network and have these additional roles:</p> <ul style="list-style-type: none"> <li>• ACNAP Science committee chair 2020-2022</li> <li>• ACNAP Treasurer-Secretary 2020-2022</li> <li>• Society of Cardiothoracic Surgery (SCTS) Nursing and Allied Professional academic and research lead</li> </ul>
