National CVD Prevention Coordinator
for Belgium

Short CV

Johan De Sutter is a non-invasive cardiologist with special interest in preventive cardiology, working at the department of cardiology of the AZ Maria Middelaes Hospital, Ghent.

He is a full professor at the department of internal medicine at the Ghent University and a guest lecturer at the University Brussels.

He serves as consultant of the EACPR Prevention, Epidemiology and Population Science Section, and was the EuroPrevent Congress Programme Committee Chair for 2014 and 2015. He is currently chairing the European Chronic Disease Alliance (ECDA).

He is actively involved in the Belgian Society of Cardiology and is the current National Coordinator for Cardiovascular Prevention. He has published over 160 papers.
