

# Curriculum Vitae

## Prof. Salvatore Novo, FESC, FACC

Full Professor of Cardiovascular Diseases, University of Palermo,  
Italy

Director of the Division of Cardiology with Rehabilitation,  
Reference Regional Centre for the Diagnosis and Care of Heart  
Failure  
Centre for the Early Diagnosis of Preclinical and Multifocal  
Atherosclerosis and Secondary Prevention, University Hospital  
"Paolo Giaccone" of Palermo, Italy

National CVD Prevention Coordinator  
for Italy

Contact: [email](mailto:email)

## Short CV

### Career:

- Graduated with honours in Medicine (1972)
- Post-graduated with honours in Cardiovascular Diseases (1976)  
Internal Medicine (1982), and Medical Angiology (1985)
- Fellow (1973-1980)
- Researcher (1980 to 1987)
- Associate Professor of Clinical Pathophysiology (University of Catania in 1988-1993  
and University of Palermo in 1993-2001)
- Full Professor of Cardiovascular Diseases (2001-today), University of Palermo

Fellow of the European Society of Cardiology (FESC, since 2004 and of the American College of Cardiology (FACC). Honorary member of the Academy of Medicine "Purkinje" of the University of Praha, of the Italian Society of Cardiology and of the Italian Association of Cardio-Oncology.

Director of the post-graduate School of Cardiology (2003-2010) and of Cardiovascular Diseases (2010-2012). Teaching at the post-graduate Schools of Anaesthesia and Intensive Care, Cardiac Surgery, Cardiology, Dermatology, Endocrinology, Gastroenterology, Geriatrics, Haematology, Infectious Diseases, Internal Medicine, Nephrology, Oncology, Physical Medicine and Rehabilitation, Psychiatry, Radiology, Radiotherapy, Respiratory Diseases.

General Secretary of the Italian Society of Cardiology (1986-2002), President (2006-2010) and Past-President (2010-up today) of the Italian Heart and Circulation Foundation, President (2011-2012) of the Italian Society of Cardiology. General Secretary (1998-2001; 2013-2014) and Treasurer (2011-2013) of the Italian Federation of Cardiology. Coordinator of the Working Group on Epidemiology, Prevention and Rehabilitation of the Italian Society of Cardiology (2006-2007). National Coordinator for the CV Prevention (2012-2016). National Coordinator for diffusion in Italy of the ESC Guidelines (2014-2016). Member of the Scientific Committee and of the Executive Board (2011-2018) of the National Institute of Cardiovascular Research (INRC). Chairman of the Working Group on Peripheral Circulation of the European Society of Cardiology (1990-1992; 1998-2000). President (2004-2006), and Responsible of the Multinational Chapter of the International Union of Angiology (2010-2014). Member of the Faculty of TASC I (2000) and the TASC II (2007).

He is particularly engaged in developing research in the field CVD, epidemiology and RFs of atherosclerosis, cardiovascular prevention and rehabilitation, acute and chronic IHD, hypertension, cardiometabolic disease, peripheral vascular diseases, multifocal atherosclerosis and Takotsubo cardiomyopathy. He is author of about 800 papers published in full on national and international journals of which 400 appear on PubMed; author of about 850 abstracts presented at national and international conferences. He was invited to deliver lectures in major national and international conferences.
