

Dr. Neglia is cardiologist and nuclear medicine specialist. He is senior staff cardiologist at Fondazione Toscana Gabriele Monasterio in Pisa (FTGM) since 1997 being appointed as Head of Positron Emission Tomography till 2012 and later on as Director of Multimodality Cardiovascular Imaging Program. He is Affiliate Researcher at Institute of Life Sciences and Faculty Member of the PhD Program in Translational Medicine of Scuola Superiore Sant'Anna in Pisa.

His activity is mainly dedicated to the clinical and research applications of cardiovascular imaging (Nuclear, CT-PET, Multimodality Imaging) as well as to studies on pathophysiology of dilated cardiomyopathy and coronary artery disease. He coordinated national and international collaborative research projects in multimodal cardiac imaging such as the multicenter European FPVII EVINCI-Study and the clinical activities of the multicenter European HORIZON 2020 SMARTool study. He is the international coordinator of the ESC-EORP EURECA Registry endorsed by the EACVI (2019-2024).

Dr. Neglia has been actively involved in the European Society of Cardiology as Vice-President of the EACVI and Chair of the Nuclear Cardiology and Cardiac CT Section (2014-2016), Councillor (2016-2018), Co-Chair of the Research Committee of the ESC-EACVI (2019-2020) and at present as Chair of the Research and Innovation Committee of the ESC-EACVI (2022-2024). He is also involved in the Imaging Committees of the Italian Association of Cardiologists (ANMCO) and the Italian Society of Cardiology (SIC). In 2020 he has been appointed as Member of the Oversight Committee of the ESC-EURObservational Research Programme and as Member of the CVC Board of Directors of the Society of Nuclear Medicine and Molecular Imaging.

He is member of the Editorial Board of the European Heart Journal – Imaging Methods and Practice, Associate Editor of the European Heart Journal – Cardiovascular Imaging and of the Journal of Nuclear Cardiology and authored 177 international publications in peer reviewed journals (H-index 44). He also authored different chapters in the ESC Textbook of Cardiovascular Medicine, ESC Textbook of Cardiovascular Imaging, ESC Textbook of Heart Failure and the Book “Nuclear Cardiology and Multimodal Cardiovascular Imaging: A Companion to Braunwald's Heart Disease”.

Dr Neglia is married with Rosa and Alessandro is their son.
