

Table of Contents

- Preface..... Page 3
- Authors list..... Page 4
- The year 2020 in the European Heart Journal–Cardiovascular Imaging: Part I..... Page 7
- The year 2020 in the European Heart Journal - Cardiovascular Imaging: part II..... Page 16
- Procedural recommendations of cardiac PET/CT imaging: standardization in inflammatory,..... Page 27
infective, infiltrative and innervation (4Is) related cardiovascular diseases.
A joint collaboration of the EACVI and the EANM
- Training, competence, and quality improvement in echocardiography: the European Association..... Page 38
of Cardiovascular Imaging Recommendations: update 2020
- Imaging the adult with simple shunt lesions: position paper from the EACVI and the ESC WG..... Page 53
on ACHD. Endorsed by AEPC (Association for European Paediatric and Congenital Cardiology)
- The structural heart disease interventional imager rationale, skills and training: a position paper..... Page 66
of the European Association of Cardiovascular Imaging
- The role of myocardial innervation imaging in different clinical scenarios: an expert document..... Page 75
of the European Association of Cardiovascular Imaging and Cardiovascular Committee of the
European Association of Nuclear Medicine
- EACVI recommendations on cardiovascular imaging for the detection of embolic sources:..... Page 86
endorsed by the Canadian Society of Echocardiography
- Multimodality imaging of myocardial viability: an expert consensus document from the European..... Page 120
Association of Cardiovascular Imaging (EACVI)
- Level 1 of Entrustable Professional Activities in adult echocardiography: a position statement..... Page 149
from the EACVI regarding the training and competence requirements for selecting and interpreting
echocardiographic examinations
- Multimodality imaging in patients with heart failure and preserved ejection fraction:..... Page 156
an expert consensus document of the European Association of Cardiovascular Imaging
- Multimodality imaging approach to left ventricular dysfunction in diabetes:..... Page 184
an expert consensus document from the European Association of Cardiovascular Imaging
