3. Describe previous experience(s) within EHRA, ESC or your National Cardiac Society

Involved in our national Belgian Heart Rhythm Association (BeHRA) since 1996, board member since 1998, President 2011-2015, still strongly involved in its daily activities; and in the Belgian Cardiac Society since 2008

I Have been National leader for the EORP registries about AF (Pilot, long term and III) and AF ablation (pilot and long term)

I Have also been Member of the health economical committee of EHRA (2012-2014) and the scientific documents committee (2018-2020), chaired the EHRA consensus document on AF screening (2017), co-chaired the EHRA consensus document on asymptomatic arrhythmias (2019), and also contributed to other EHRA documents.

4. Why are you motivated to join the EHRA Executive Board (150 words max)?

Always motivated by the European dimension of a scientific network and collaboration, I will be pleased and honoured to participate in the nominating committee

I am ready to dedicate the requested time to EHRA and share my experience with pairs

EHRA is a superb organization that every European cardiologist with interest in heart rhythm disorders management should want to be part of.

5. How will you combine your EHRA position with your daily clinical/research workload?

Please note that we expect you to be:

- Active career at the time of taking office
- In clinical practice (for at least 30%) at the time of application

Having stopped my Presidency of the local Medical Council, I have some spared time that I am ready to dedicate to EHRA

I remain in clinical practice for >80% of my time
