4. Why are you motivated to join the EHRA Executive Board (150 words max)?

I have been always linked to the ESC and the EHRA, as well as to the Spanish Society of Cardiology (SEC), as I believe that they are the forums of scientific development for cardiologists not only in Europe, but at the present time of the global cardiologic and arrhythmic community.

I think that after my passage through different positions in ESC, EHRA and SEC, I think that right now is the time to contribute in EHRA as a member of the Nominating Committee, because it has an important role in selecting the best candidates to lead the EHRA for years to come

5. How will you combine your EHRA position with your daily clinical/research workload?

Please note that we expect you to be:

- Active career at the time of taking office
- In clinical practice (for at least 30%) at the time of application

I am actively working, as a director of the Arrhythmia Unit and Cardiology department of the Dexeus University Hospital, and accordingly my current position allows me to combine my clinical, scientific and teaching activity with my dedication to the EHRA

6. Please list your conflicts of interest

I have no conflicts of interest

Position of influence declaration:

- Direct substantial shareholding or direct financial interest in healthcare, media, education companies or companies in relationship (suppliers or in competition with ESC or in contradiction with ESC mission)
- Employment in healthcare institution (part time or full time)
- Membership or affiliation to political/pressure group associations related to the field of cardiology
- Any potential interest related to the position applied for
- Nothing to declare
