

Application for the following position in the EHRA Board:

Nominating Committee Member

1. Your Identity

Title: Adjunct Lecturer

Family Name(s): Spartalis

First Name(s): Michael

Birth Date: 30/12/1983

Institute/Organisation: National and Kapodistrian University of Athens

Department: 3rd Department of Cardiology

Address: Mesogeion 152

Post Code/Zip: 11527

City: Athens

Country: Greece

Email:

2. General Curriculum Vitae (300 words max)

I am an Attending Cardiologist, Certified Electrophysiology Specialist, and Certified Cardiac Device Specialist. Currently, an Academic Scholar (Adjunct Lecturer) at the 3rd Department of Cardiology, National and Kapodistrian University of Athens, Medical School, Clinical Scholar at Harvard Medical School, Associate Editor of European Heart Journal - Case Reports, and an Expert on medical devices at the European Commission.

My work focuses on cardiovascular medicine, cardiac electrophysiology, device therapy, and antiplatelet therapy. I have published in leading journals, including the New England Journal of Medicine, Circulation, Journal of Heart and Lung Transplantation, and Annals of Surgery. My research activity is documented by the production of 106 published articles in high-impact medical journals; all indexed in PubMed.

Among notable honors, I was awarded: Fellow of the European Society of Cardiology (FESC), as a symbol of Scientific Excellence from the European Society of Cardiology in 2017, Fellow of the American College of Cardiology (FACC) Designation from the American College of Cardiology in 2018, Fellow of the European Heart Rhythm Association (FEHRA) honorary recognition from the European Heart Rhythm Association in 2019, Lifetime Member of the European Society of Cardiology Working Group on Cardiac Cellular Electrophysiology, and Lifetime Member of the European Society of Cardiology Working Group on Thrombosis.

I hold an MD from National and Kapodistrian University of Athens, Medical School, a MSc in Thrombosis, Hemorrhage and Transfusion medicine from National and Kapodistrian University of Athens, Medical School, a MHCM from Conservatoire National des Arts et Métiers, and a Master in Interventional Electrophysiology from Università Vita-Salute San Raffaele. Most recently, I completed the Oxford's Leadership Program.

3. Describe previous experience(s) within EHRA, ESC or your National Cardiac Society

Associate Editor of European Heart Journal Case Reports, Expert at EuroHeart AF Working Group, Young National Ambassador of the Association for Acute CardioVascular Care (ACVC), EHRA Young EP member, Member of the ESC Working Group on Cardiac Cellular Electrophysiology, ACVC Young member, EHRA Scientific Network member, Local Trainer for the ESC General Cardiology Training Programme, Fellow of European Society of Cardiology, Fellow of European Heart Rhythm Association

4. Why are you motivated to join the EHRA Executive Board (150 words max)?

I am an Attending EP, trained in Europe, and active in the EP lab. Being from a country in southern Europe, I will serve as a bridge between EPs in the South, Central, North, and East Europe with my election. My country (Greece) is not currently represented in the EHRA Board.

EHRA

European Heart
Rhythm Association

5. How will you combine your EHRA position with your daily clinical/research workload?

Please note that we expect you to be:

- Active career at the time of taking office
- In clinical practice (for at least 30%) at the time of application

I am willing to dedicate enough time for the task as Nominating Committee member, a fact that is fully supported by both my Family and my University.

6. Please list your conflicts of interest

- Direct personal payments (speaker fees, honoraria, advisory board fees, consultancy, investigator...)
 - Company (one company): None
 - Product or therapeutic area: None
 - <10 K€/year
- Payments to your institution (speaker fees, honoraria, advisory board fees, consultancy, activities executed by your department for the sponsor or investigator initiated and funded by an unconditional grant from the sponsor...)
 - Company (one company): None
 - Product or therapeutic area: None
 - <10 K€/ year
- Receipts of royalties for intellectual property
 - Company (one company): None
 - Product or therapeutic area: None
 - <10 K€/ year

Add as many as necessary

ESC

European Society
of Cardiology
