

African Heart Rhythm Association (AFHRA) & European Heart Rhythm Association (EHRA) WEBINAR on

SPORT-RELATED SUDDEN CARDIAC DEATH

Sudden cardiac death is a major worldwide complication of cardiovascular diseases with all age groups, social classes being concerned.

The goal of this comprehensive course is to update knowledge on the epidemiology, etiology, treatments and prevention of cardiac arrest in the general population with a special focus on sport-related cardiac arrest.

Chairpersons

Pr Yazid Aoudia
AFHRA,
Algiers-Algeria

Pr Aimé Bonny
AFHRA,
Douala/Montfermeil
Cameroon/France

Pr Jose Luis Merino
EHRA, Madrid-Spain

Dr Juliette Tchuembou
President AMAFF

Faculty

Dr. Felix Sogade
AFHRA,
Macon-USA/Nigeria

Pr Jacob Tfelt
EHRA, Copenhagen
Danemark

Pr Elijah Behr
EHRA, London
United Kingdom

Dr Mariem Jabeur
AFHRA,
Sfax-Tunisia

Dr Sarah Kraus
AFHRA,
Cape-Town
South Africa

Dr Walid Amara
EHRA/AFHRA,
Montfermeil/Constantine
France/Algeria

Pr Hein Heidbüchel
EHRA,
Antwerp-Belgium

Course directors

- ➔ **Pr Aimé Bonny**, President, AFHRA
- ➔ **Pr Jose Luis Merino**, President, EHRA
- ➔ **Pr Ashley Chin**, AFHRA board
- ➔ **Dr Juliette Tchuembou**, President AMAFF

Objectives of the course

- ➔ Discuss the definition of SCD
- ➔ Discuss the epidemiology of SCD
- ➔ Discuss the etiologies of cardiac arrest in the general population and in athletes
- ➔ How to prevent cardiac arrest and treat cardiac arrest in athletes
- ➔ Discuss guidelines regarding SCD in the general population and in athletes

Program

- 01** On the obscure boundaries between physiology and pathology of the athlete's heart (Pr Hein Heidbüchel, Antwerp, Belgium)
- 02** Sudden Cardiac Death Awareness in General population: AFHRA worldwide survey (Dr Walid Amara, Montfermeil, France/Algeria)
- 03** Arrhythmogenic cardiomyopathy- important cause of death in Africa (Dr Sarah Kraus, Cape-Town, South Africa)
- 04** Inherited cardiac arrhythmias in Africa : state of the art (Dr Mariem Jabeur, Sfax, Tunisia)
- 05** Inherited Channelopathies – Implications for Sports Cardiology (Pr Elijah Behr, London, United Kingdom)
- 06** Sudden Cardiac Death – European Perspectives (Pr Jacob Tfelt, Copenhagen, Denmark)
- 07** Sport-related Sudden Cardiac Death: What can we learn in Africa from other experiences and role of AFHRA? (Dr Felix Sogade, Macon, USA/Nigeria)
