

## **RULES AND REGULATIONS**

### **EHRA MEMBERSHIP**

The European Heart Rhythm Association (EHRA) is a registered branch of the ESC. Its mission: Improving the Quality of Life and Reducing Sudden Cardiac Death by Limiting the Impact of Heart Rhythm Disturbances. Membership in the Association is open to clinical cardiologists, basic scientists in training, nurses, and allied professionals interested or working in the field of heart rhythm.

In accepting these rules and regulations you agree to:

- follow the [membership application process](#);
- connect with the community of arrhythmias and electrophysiology experts; and
- receive membership benefits where appropriate.

#### **Membership Benefits**

- being part of the leading network in European cardiac rhythm management
- reduced registration fee for the annual EHRA congress
- subscription to *EP Europace*
- reduced registration fees for EHRA educational offers
- subscription to the EHRA quarterly e-Newsletter

EHRA Members automatically belong to the ESC with its membership benefits:

- discount prices on ESC educational products
- preferred subscription rates to ESC journals
- access to all information from ESC association, congress and educational programmes
- online version of the quarterly ESC Newsletter

EHRA membership runs for one year from the time a new member joins, subject to automatic annual renewal, unless cancelled. Members are emailed renewal reminders.

#### **Data Privacy**

*In accordance with the law on data processing and civil liberties of 6th January 1978, you have personal information registered with the European Society of Cardiology (ESC) and its constituent body for which membership is requested. The information will be processed and held in ESC customer data files. It may be used for marketing and communication purposes only by the ESC, its constituent bodies and their contractors. You have the right to access, amend and oppose any use of this personal data by writing to the ESC via email ([EHRA@escardio.org](mailto:EHRA@escardio.org)) or by mail at the following address: European Society of Cardiology, Att: Data Privacy, 2035 route des Colles - Les Templiers, CS 80179 BIOT, 06903 Sophia Antipolis Cedex, France.*

*Please Note: As an EHRA Member benefit, you have agreed to receive the EHRA e-Newsletter, which entails your receiving electronic and surface mail about Association activities.*
