

# CHAIRPERSON INTERFACE FUNCTIONALITIES

## EuroEcho Imaging2017

21<sup>st</sup> Annual Meeting of the European Association of Cardiovascular Imaging (EACVI), a registered branch of the ESC,  
in cooperation with the Portuguese Working Group of Echocardiography.

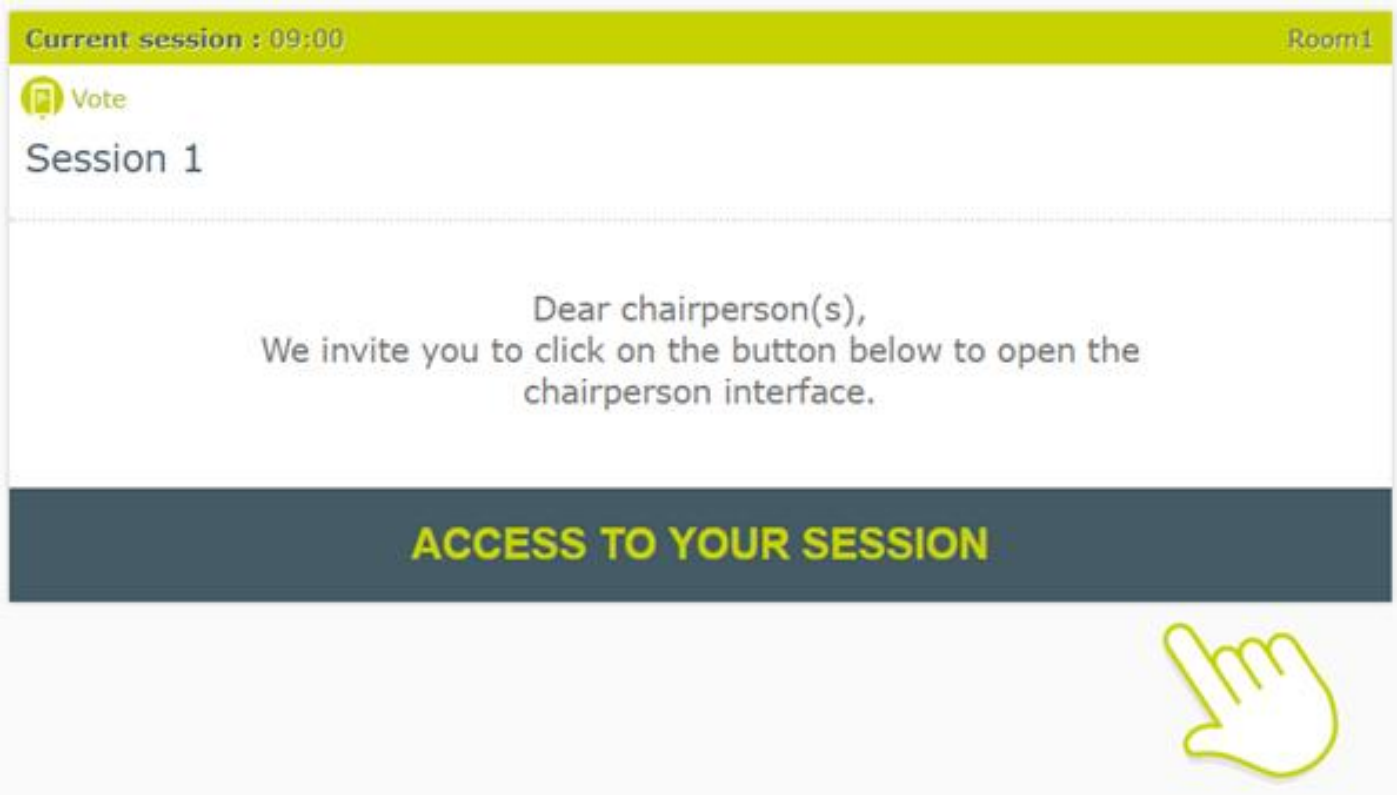

Lisbon – Portugal  
6-9 December 2017

[www.escardio.org/EACVI](http://www.escardio.org/EACVI)

# LAUNCH OF THE CHAIRPERSON INTERFACE

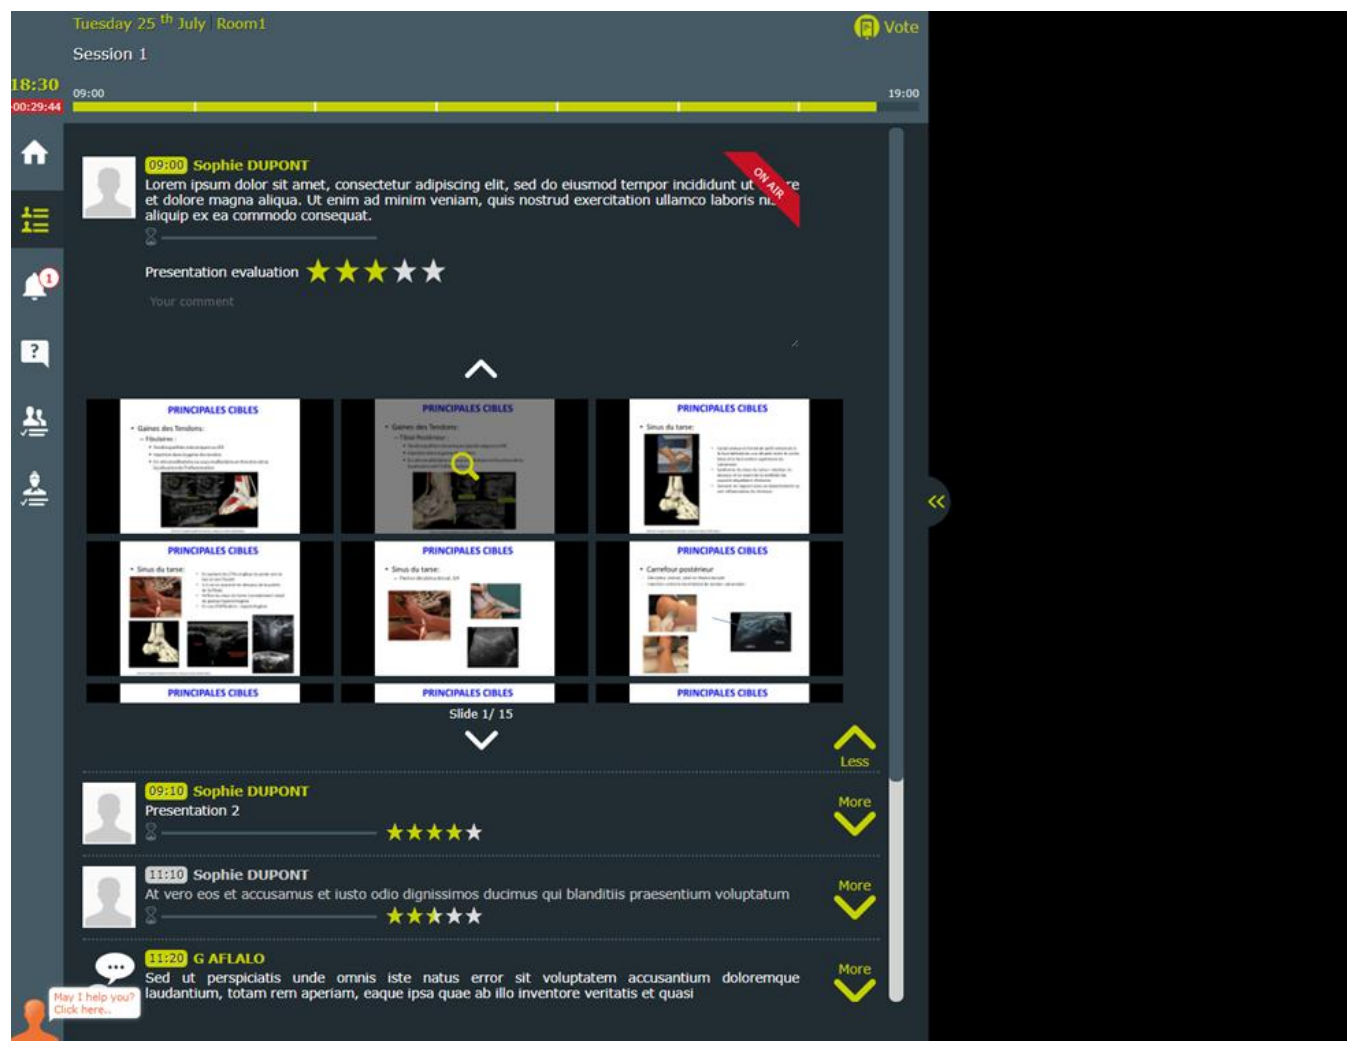

Click on the “access to your session” button to launch the chairperson interface

At all time the left bar of the screens can be removed by clicking on the arrows icon below, to let you see the whole screen.

# VIEW THE SESSION CONTENT

The presentations appear on the left side of the screen.

- Names are in green when the presentation is uploaded
- Names are in grey when the presentation is not uploaded yet .
- Speaker name in grey with “Withdrawn” means the presentation has been cancelled and no replacement is planned.

An alarm indicates when a presentation is uploaded or when the session is coming to an end.

## NAVIGATE THROUGH THE SLIDES

You can view any slide of the current or next presentations by clicking on this thumbnail at any time.

It will have no impact on the main screen in the lecture room.

Benefit after first year? RCTs

BASKET-SAVAGE: MACE 3 Years (Long-Term FUI)

Old DES I  
Veterans Registry 2471 pts with a SVG PCI

My take-home message

- BASKET-SAVAGE confirms benefits of DES in SVG
  - Even at long term
  - Even when not using the best in-class DES
  - Even when not using a systematic protection

# Old DES !

## Veterans Registry 2471 pts with a SVG PCI

**TABLE 1** Adjusted Mortality and Myocardial Infarction Rates Seen in the Study Cohort Stratified by Stent Type

	Mortality HR (95% CI)	Myocardial Infarction HR (95% CI)
DES 2nd generation vs. BMS	0.65 (0.50-0.84)	1.00 (0.72-1.36)
DES 1st generation vs. BMS	0.78 (0.61-1.00)	0.88 (0.62-1.23)
DES 2nd generation vs. 1st generation	0.83 (0.56-1.06)	1.13 (0.81-1.58)

1st-generation DESs include pacifast-eluting and amonivel-eluting stents; 2nd-generation stents refer to evolutive-eluting and zotar-eluting stents.

CI = confidence interval, HR = hazard ratios; other abbreviations as in Table 1.

# PRESENTATION TIME MANAGEMENT

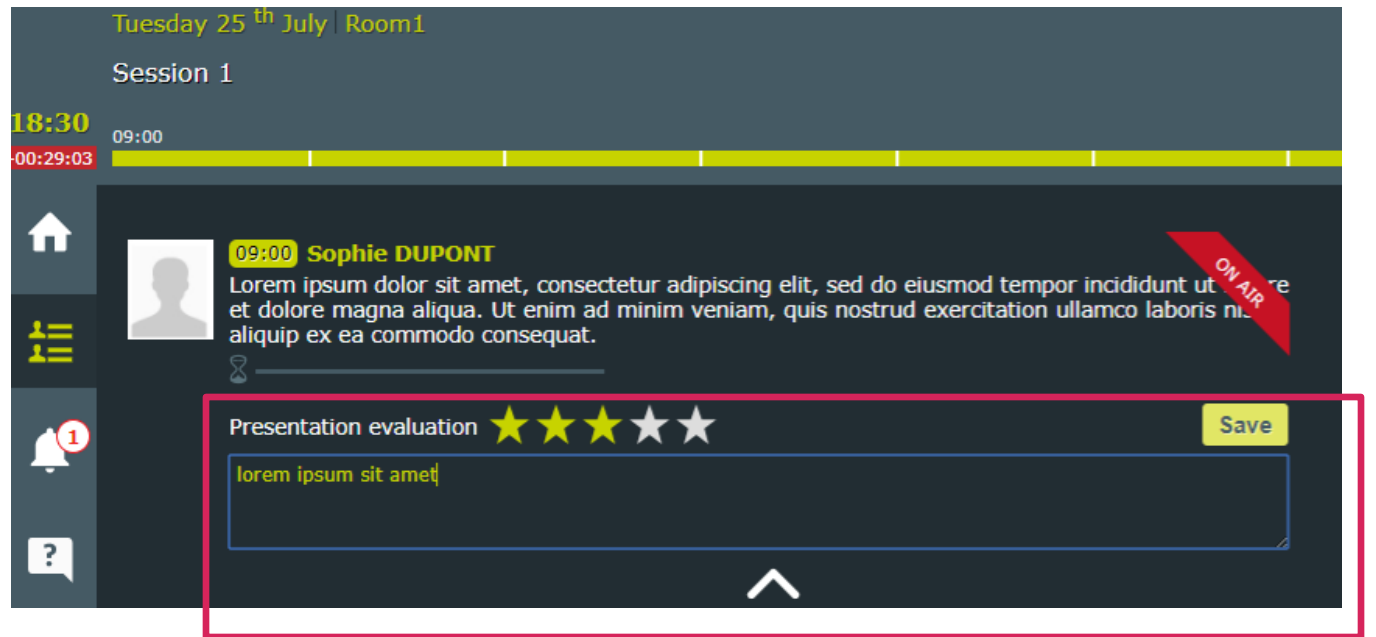

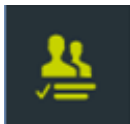

The top green cursor shows the overall session timing and the white mark shows the end of each presentation.

Time left for each speaker is indicated below the presentation title in grey

# PRESENTATION EVALUATION

This icon allows you to access the evaluation form to grade each presentation and write any comment you may have .

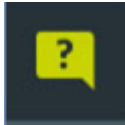

**Please rate all presentations**

# INCOMING QUESTIONS FROM THE AUDIENCE

---

When available in your lecture room, this feature allows you to get questions from the audience via their Mob App.

You'll be notified of an incoming question by the icon with the question mark on the left side of the screen.

You can decide to address these during the discussion time at the end of the presentation.

*N.B – Not all sessions have this feature activated. If this feature is available you'll see the notification, and a demo video will be played to the audience before the session starts.*

The screenshot displays the Mob App interface during a session. At the top, it shows 'Tuesday 25<sup>th</sup> July Room1' and 'Session 1'. A timer indicates the session is at 18:34, with a total duration of 09:00. A 'Vote' button is visible in the top right. The main section is titled 'Questions from the audience' and lists three questions:

- 1. Live - Didier DURAND (11:02 PM): Etiam ut interdum neque. Etiam sodales enim enim, eget congue lacus tincidunt id. Pellentesque nec suscipit lectus?
- 2. Twitter - Pierre COUTANT (11:03 PM): Etiam sodales enim enim, eget congue lacus tincidunt id. Pellentesque nec suscipit lectus?
- 3. App - Theo BROWN (11:06 PM): Etiam sodales enim enim, eget congue lacus tincidunt id. Etiam sodales enim enim, eget congue lacus tincidunt id. Etiam sodales enim enim, eget congue lacus tincidunt id.

On the left sidebar, a yellow speech bubble icon with a question mark is circled in red, indicating an incoming question notification. Other icons in the sidebar include a home button, a list of participants, a bell for notifications, and a person icon.

# SESSION EVALUATION

Your comments are very valuable to assist us in the preparation of future programmes.

This icon allows you to evaluate the overall session and to review the comments you may have already entered on previous presentations.

Session nearly finished, don't forget to complete the survey

## HELP AND ASSISTANCE CHAT

---

If you have any kind of issues or requests, click on the red avatar at the bottom left of the screen.

An orange tab will appear, select the type of problem, write your message & click 'send'.

A Lecture Room hostess is also here to assist you with any questions you may have on this chairperson interface.
