

Please fill in the required fields:	
- Candidate name & surname:	
- Supervisor:	
- Center, City, Country:	
- Director of Cardiology department:	

Instructions:

Kindly note logbooks will be checked by ESC Certification Office and will be sent to EHRA graders only if correctly completed according to the instructions.

- Please indicate 100 procedures performed as 1st operator.
- An EP study performed in the context of an SVT ablation can't be included in the logbook of EP procedures.
- Candidates should keep a copy of each procedure's full report to be submitted additionally if requested.
- Procedure date: must be filled in chronological order starting from the oldest. All submitted procedures must have been performed in a 2-year time period, starting from 2 years before to 2 years after the exam.
- Patients' initials: Candidates should include only patient's initial and not his/her full name.
- Patient Hosp record #: Hospital record number pertaining to the respective patient.
- EP diagnosis: Diagnosis derived from the EP study.
- Complications: indicate if any and outcome.
- Comments: please report any additional information needed.

#	Procedure date	Patients' initials	Patient Hosp record #	EP diagnosis	Complications	Comments
