

Getting Started >

Step 1: App installation

- > Open the App Store on your device
- > Open "Search"
- > Enter "ESC Pocket Guidelines" into the search field
- > Choose the icon "ESC Pocket Guidelines"
- > Click on the "Install" button
- > Apple App Store and Google Play will ask you for permission
- > Click "Open" and continue to Step 2

Step 2: Log with your "My ESC" login details

If you do not have a "My ESC" account yet, then please create one for free.
You can tick the "Remember me" box so that you are automatically logged in on your next visit

Step 3: Content download

- > When opening the App you will be guided to the "Get more guidelines" section
- > In the "Get more guidelines" section, choose the guidelines of your interest or all titles and click on "Download"
- > After logging in, the content download will start
