WELCOME
to the
ACCA Masterclass
in Acute Cardiovascular Care

This programme is supported in the form of an educational grant by

AstraZeneca
Abbott
Acute Cardiovascular Care Association
European Society of Cardiology®
Optimising acute cardiovascular care goes beyond cardiology.
Welcome to ACCA

To create the ACCA community and become a worldwide reference for education and science in the field of acute cardiovascular care

www.escardio.org/ACCA
What we want!

• Improve quality of care and patient outcomes (ACCA mission)
• Collect evidence and best practices
• Improve standards across Europe
• Equity of care for patients
• Attract best people in the area to advocate
2018

A strategic change to best serve our community

Now in SPRING!

Opportunity for earlier submission and discovery of innovative science in the field of ACS

Opportunity to enlarge delegate reach (Allied professionals)

Opportunity to participate and network in other relevant congresses throughout the whole year
ACCA MEMBERSHIP

ACCA, A NEW SENSE OF BELONGING

'I want to belong to an innovative network'
