WELCOME ADDRESS

Dear Friends and Colleagues,

The Council of Cardiovascular Nursing and Allied Professions of the European Society of Cardiology (CCNAP) and the Irish Nurses Cardiovascular Association (INCA) would like to invite you to attend the 9th Annual Spring Meeting on Cardiovascular Nursing, 2009 in Dublin, Ireland. The theme of the conference is "Addressing the Challenges in Cardiovascular Care" and will take place from 24-25 April 2009.

We are proud to offer a very exciting programme which will gather together researchers, lecturers and clinicians involved in cardiac care. We will have key note presentations and breakout sessions from nationally and internationally renowned faculty. The goal of the conference is to seek and share innovations, challenges and opportunities.

Attendance at the Spring Meeting 2009 includes a one year subscription to the European Journal of Cardiovascular Nursing and a Friday evening reception. Submission of original scientific research or clinical projects/service improvement are encouraged.

Dublin is a city married with old cultures and new flavours. Dublin is famous for its renowned cultural, literary and historical landmarks. Aside from attending the conference please take the time to enjoy Dublin's medieval characteristics and famous hospitality.

On behalf of the committee we extend a "Céad Míle Fáilte" or a hundred thousand welcomes.

We look forward to seeing you in Dublin, and hope that you will find the programme exciting and stimulating.
