

Curriculum Vitae – Evangelista Rocha

Evangelista Rocha, MD, PHD

Cardiologist, Assistant Professor at the Faculty of Medicine, University of Lisbon

National CVD Prevention Coordinator
for Portugal

Contact: [email](#)

Short CV

Cardiologist and specialist in Internal Medicine. Graduate Assistant of cardiology (Consultant) at the Armed Forces Hospital (Lisbon).

- Doctoral thesis at the University of Lisbon, Portugal 1997
- Assistant Professor at the Faculty of Medicine, University of Lisbon
- Regent of Epidemiology and Clinical Epidemiology. Coordinator of the Epidemiology Unit
- Director of the Master Degree in Epidemiology at the Institute of Preventive Medicine and Public Health, Faculty of Medicine, University of Lisbon
- Principal investigator of several projects.

Main areas of interest in research:

- Electrocardiography
- Hypertension
- disease registries (hypertension, coronary heart disease/acute coronary syndromes)
- Cardiovascular prevention
- Non-Communicable Diseases
- clinical trials

Founding partner of the National Institute of Preventive Cardiology and of the National Society of Hypertension.

Past-Coordinator of working groups (Epidemiology and Cardiovascular Prevention, Cardiovascular risk) and Scientific consultant for the press, Portuguese Society of Cardiology.

Translation of ESC-Pocket Guidelines: publications on cardiovascular disease prevention (2001, 2007, 2012) and diabetes (2013), Portuguese Society of Cardiology.

Scientific support in setting clinical standards and norms: atherosclerosis, dyslipidaemias, hypertension, cardiovascular risk, chronic kidney disease (Portuguese Society of Atherosclerosis, Directorate-General of Health, Portuguese Society of Nephrology).

Awards: 6, 3 as first author and 3 as co-investigator.

Peer-Reviewer: 6 Bio-Medical Journals. Associate Editor: 1 Journal. Editorial Board: 2 Medical Journals.

Publications: over 130 (Scopus ORCID: 40 publications authored).
