

Supervisor letter - template

From:

To: The EACVI section CMR Certification committee

Letter of Attestation for Confirmation of Level.....CMR Training for Dr.....

I am supplying this letter of attestation as an appropriately qualified CMR supervisor. I have obtained European Level 3 CMR certification on .../.../....

I confirm that:

1. Dr.has undergone CMR training in my institution and under my direct supervision from .../.../.... to .../.../....
2. Dr..... has reached an appropriate level of competence for Level 2 (Level 3) competence as defined in EHJ 2011.
3. Competence has been assessed during the training program by (*give details of the training program, ideally by attaching an appendix of the program. Provide details and dates of assessments that have taken place, e.g. Case-based assessments, in the attachment*).
4. The candidate is competent to scan common CMR protocols independently or is able to guide a technologist to scan common CMR protocols.
5. The logbook provided by Dr. is accurate and that Dr.....has been involved in CMR studies under my supervision, with CMR studies as primary operator including analysis and initial interpretation.
6. Dr..... has a good standing in the field and I am not aware of any disciplinary or other professional actions against him/her.

Yours sincerely,
