

EAE Education Survey

23 February – 29 April 2009

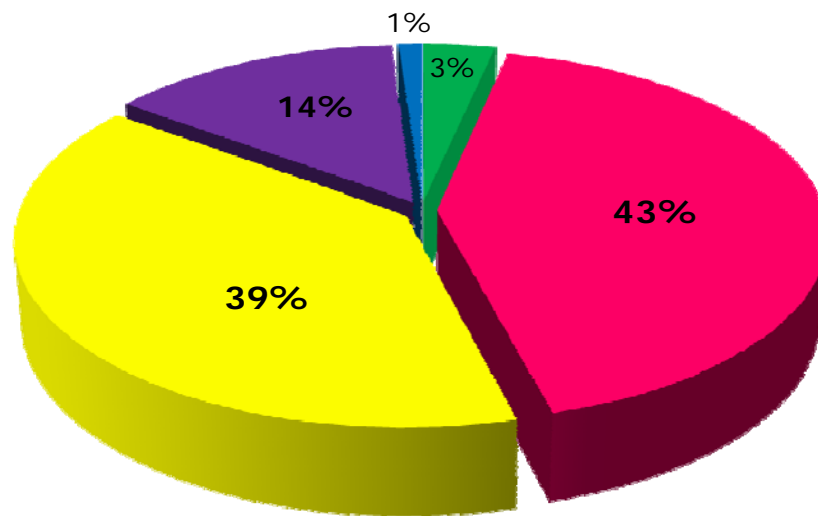

www.escardio.org/EAE

Background

- A new EAE Education Committee has been installed in December 2008 for 2008-2010. During these two years, this Committee expect to launch many new projects in order to fully satisfy its members and website visitors.
- An online survey was performed among EAE Members and EAE website visitors from 23 February to 29 April 2009: 88 feedbacks were collected
- The aim of this survey was to gather inputs from EAE members and EAE website visitors to help EAE to improve its initiatives in the field of education.

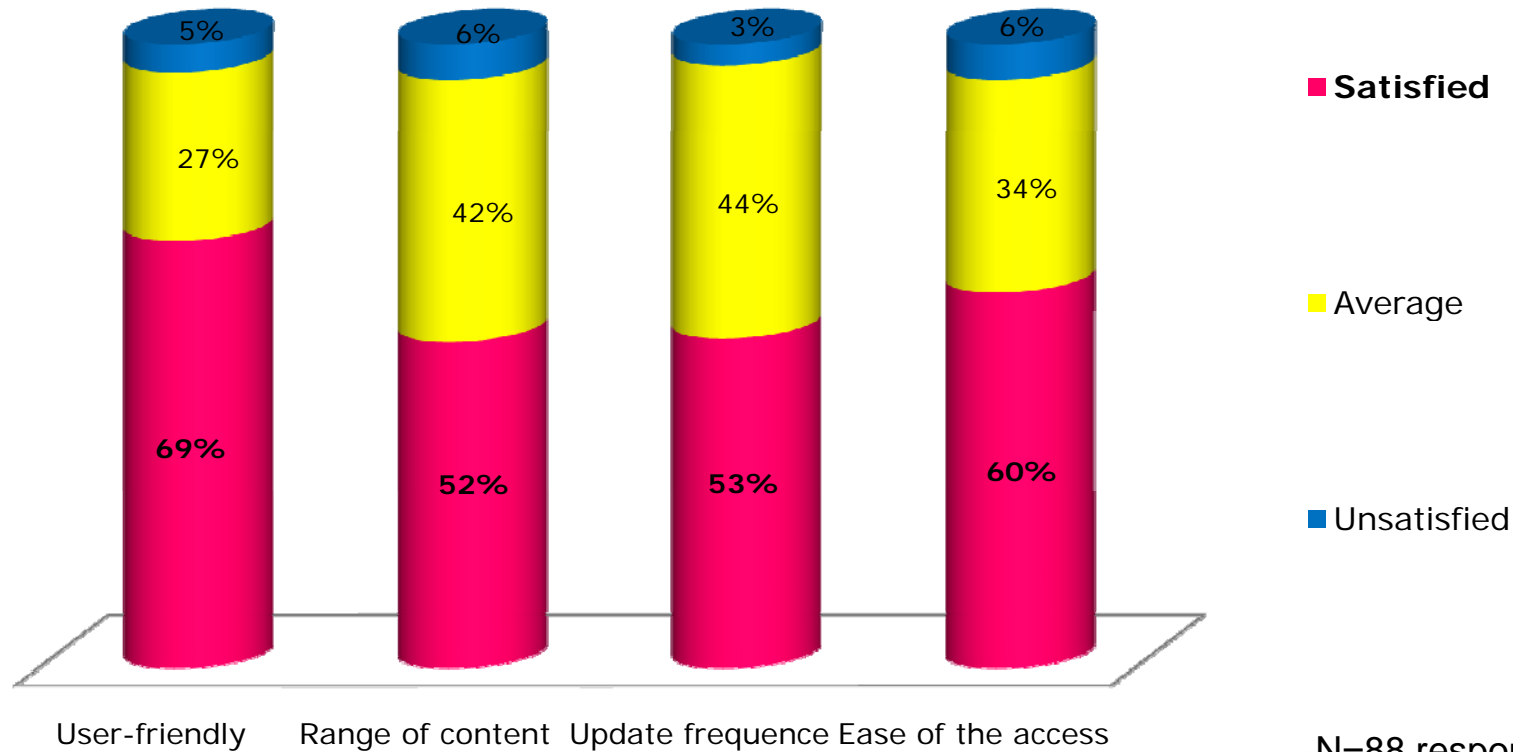

How frequently have you visited the EAE Web Site over the last 12 months?

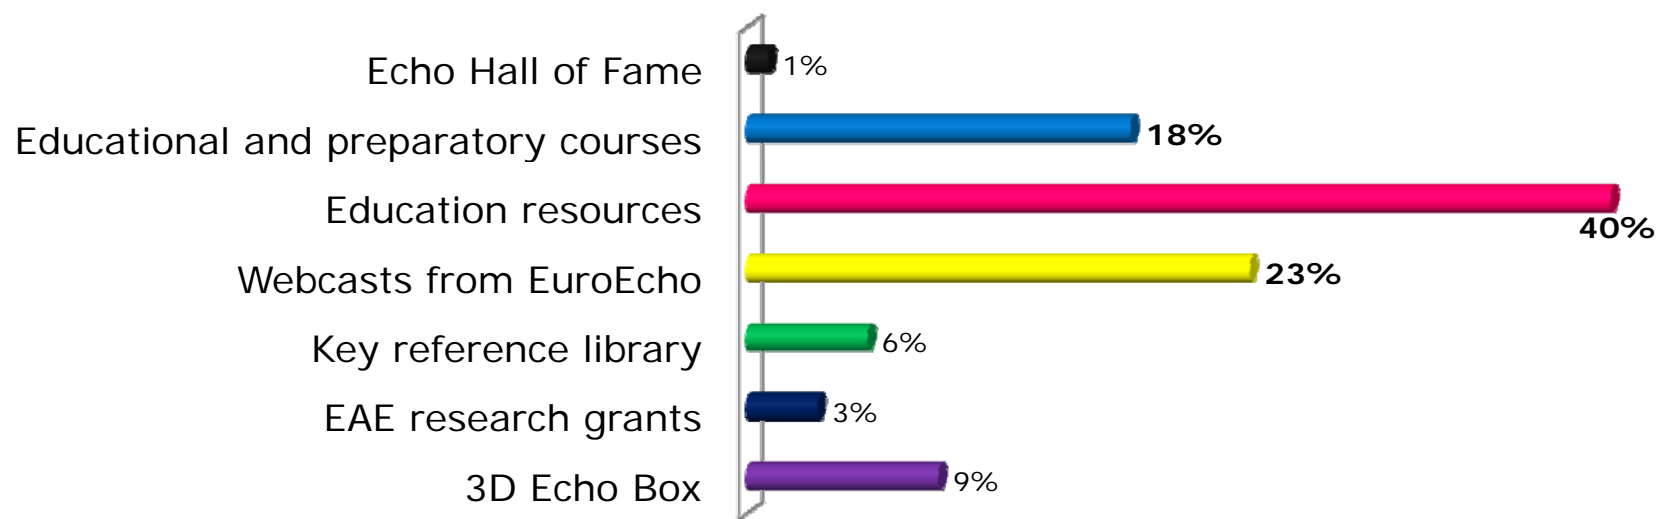

- Daily
- Weekly
- Monthly
- A few times a year
- This is my first visit

N=88 respondents

General assessment of the Education pages

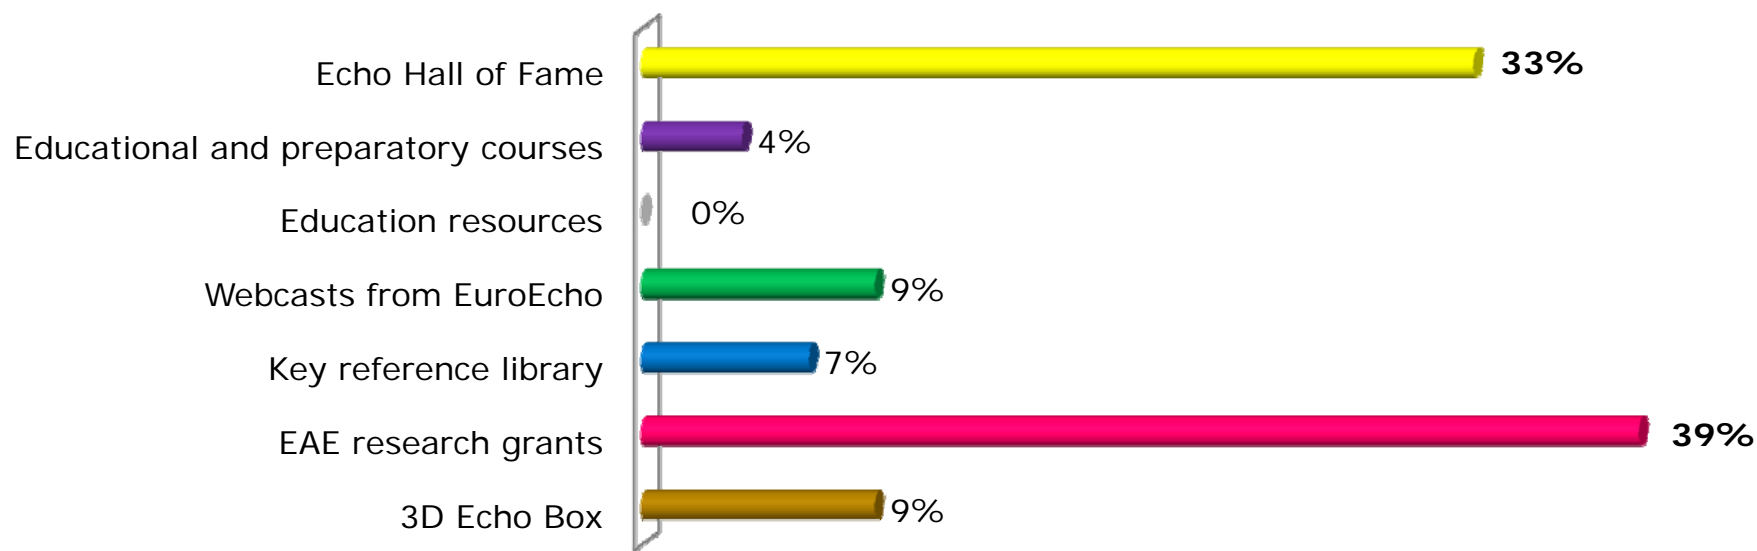

Which section do you visit the most ?

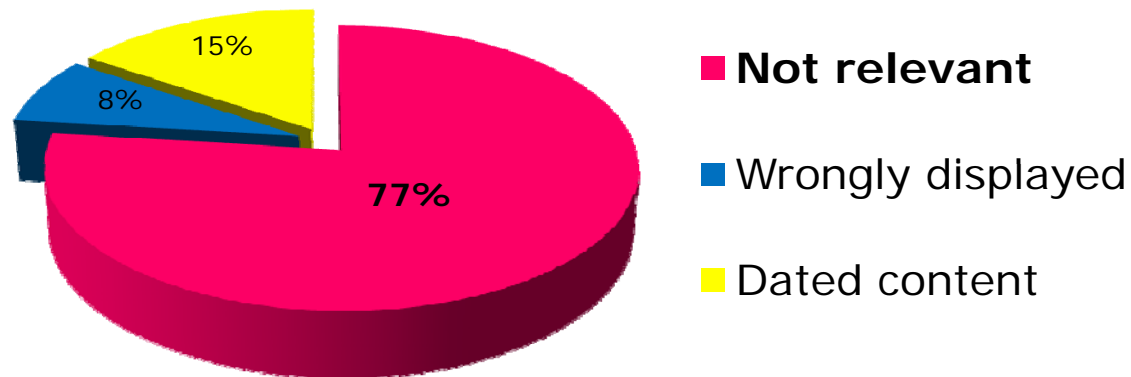

N=88 respondents

Which section is of less interest ?

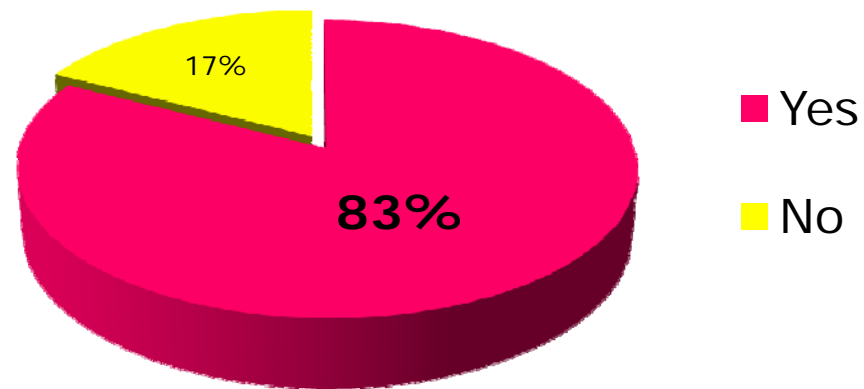

N=88 respondents

Why is this section of less interest to you?

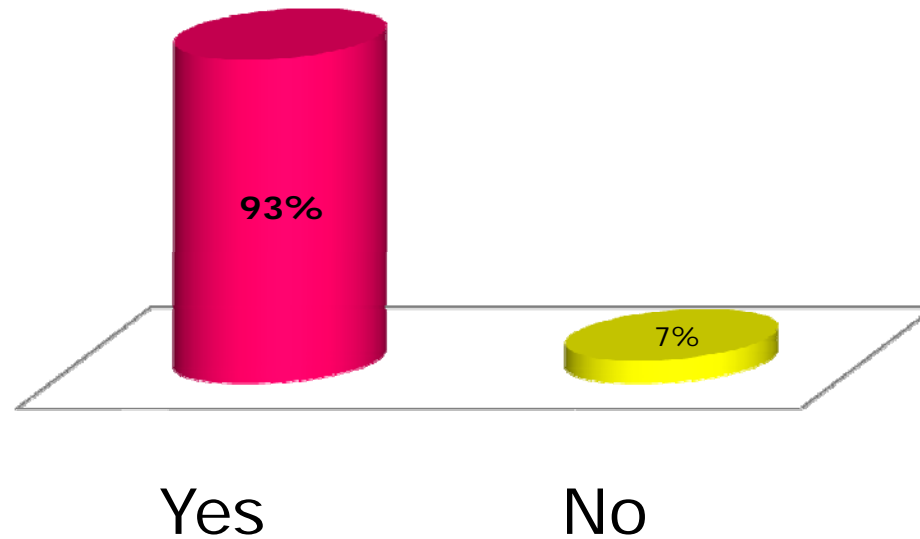

N=88 respondents

N=88 respondents

If NO, are you interested in 3D techniques ?

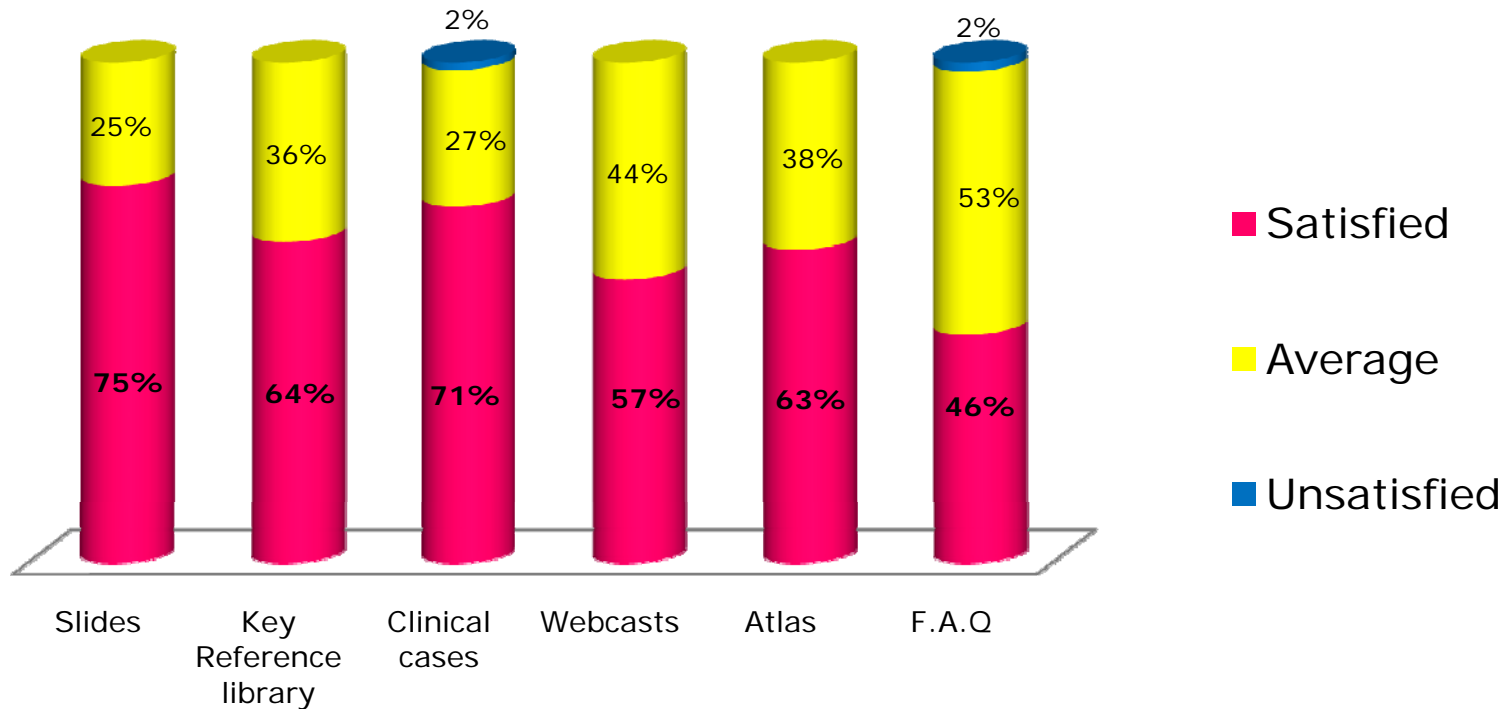

N=88 respondents

When yes...

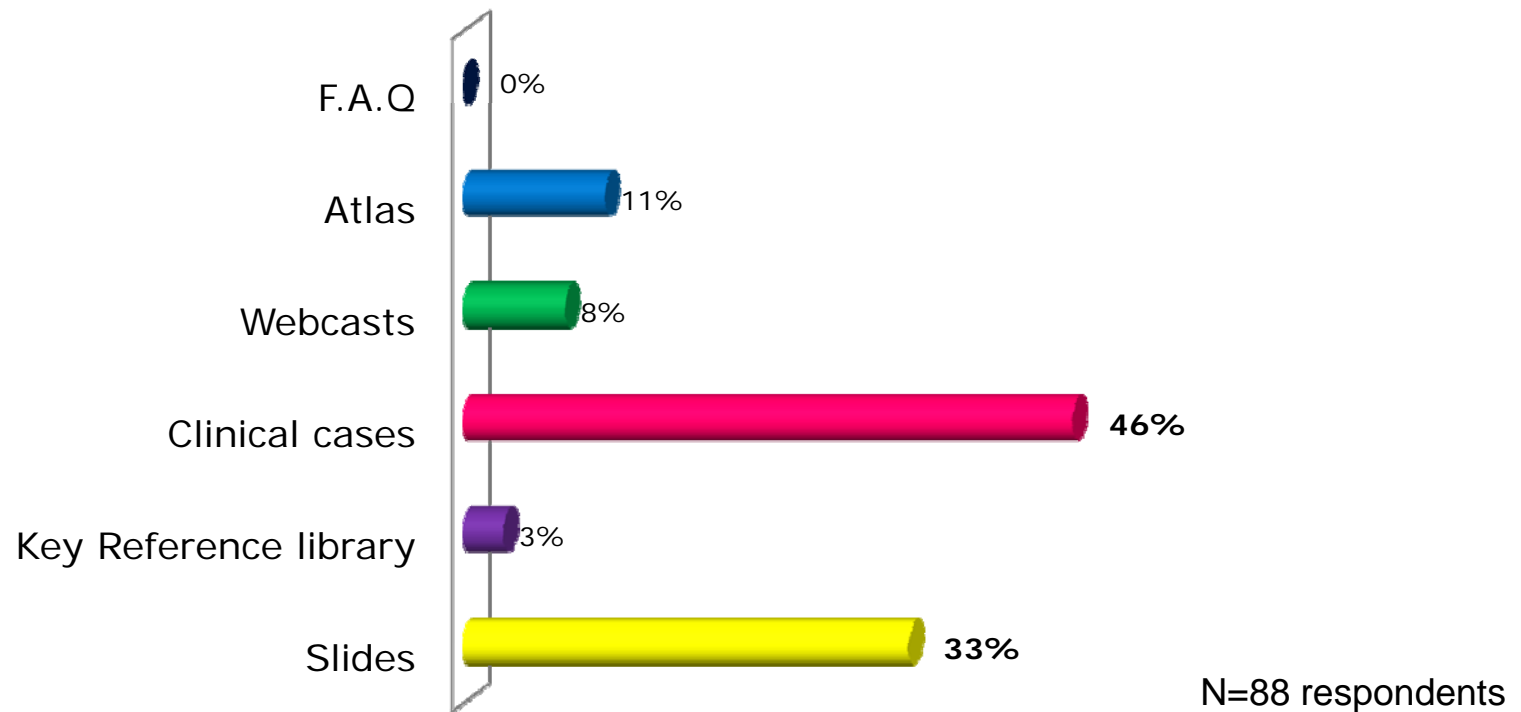

N=88 respondents

Overall rating of the 3D Echo box section

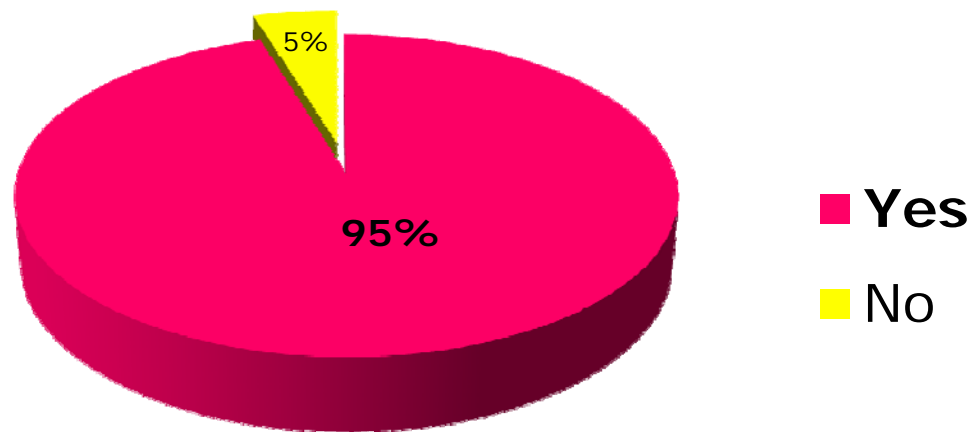

N=88 respondents

What is your favourite section in the 3D Echo Box?

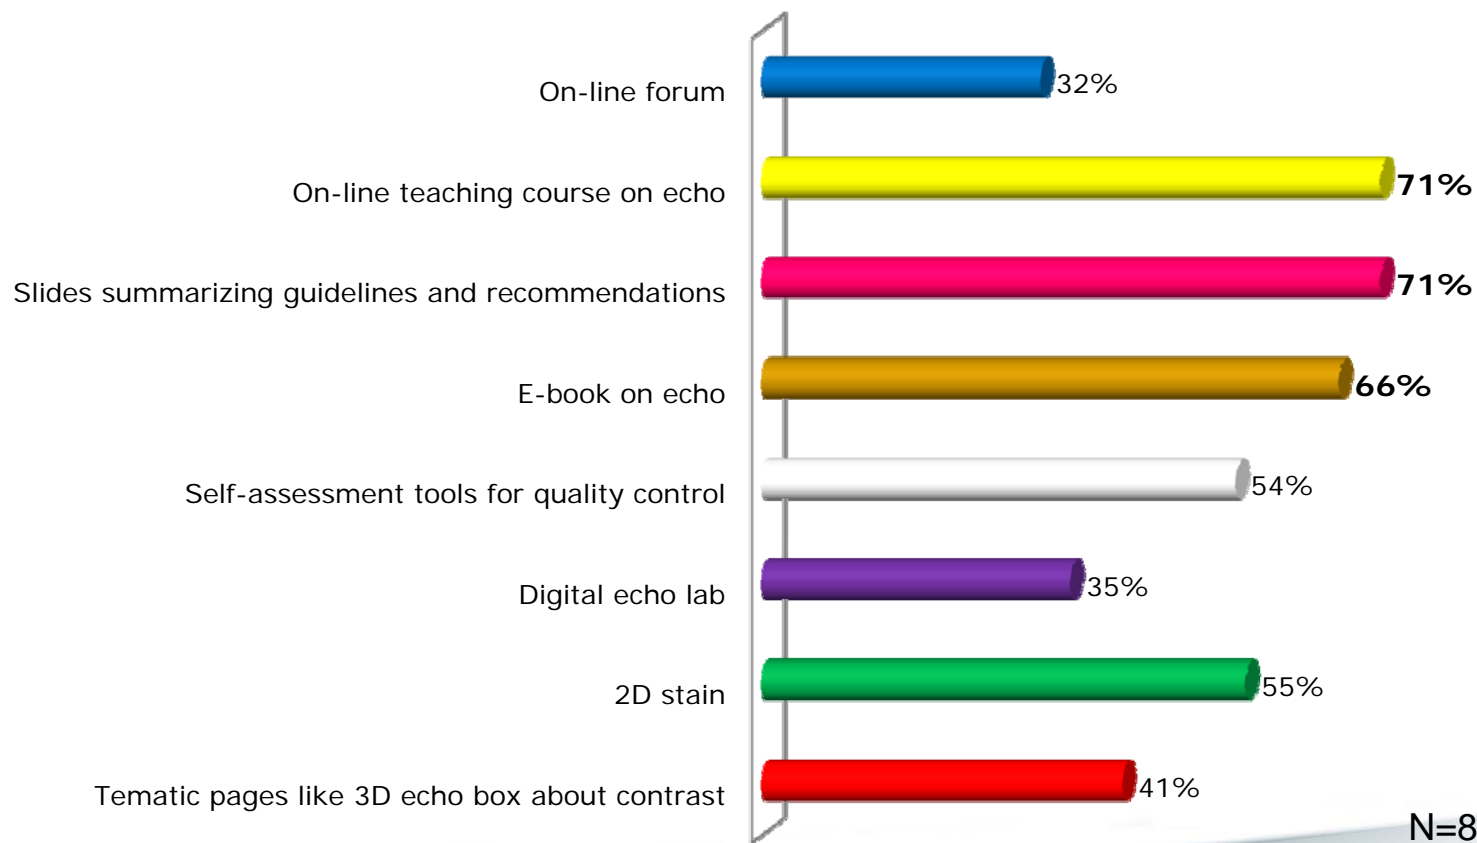

Would you like to have more educational content?

N=88 respondents

If yes, which type of content?

N=88 respondents

Conclusion

- The EAE would like to thank those of you who contributed actively to the development of new educational activities in echocardiography by answering this survey.
- In addition, the EAE Education Committee chaired by Dr Luigi Badano is pleased that your expectations for new initiatives is in line with its business plan.
