What would you like to achieve if you were elected? (150 words max)?

My goals as president for EAPCI would be as follows:

1. Improve the image of the subspecialty of invasive cardiology at the level of the ESC
2. Improve the recognition of the scientific contributions of the subspecialty of invasive cardiology to the overall field of cardiology
3. Increase the attractiveness of invasive cardiology as subspecialty of choice for cardiology fellows in training
4. Foster a mutually respectful relationship with cardiac surgery
