4. Why are you interested in joining the EHRA Board (150 words max)?

I have had the pleasure and honor of serving on the EHRA Board since 2 years as Chairman of the Education Committee, the term of which is due in June 2015.

Participating as member of the Board has been very fulfilling, and has given me the opportunity to move forward ideas and goals for shaping our educational program. I have also had the pleasure of working with people who possess creative thinking, foresight, energy and enthusiasm to make EHRA a leader in the field.

I believe that success of EHRA depends not only on the commitment of those contributing to its activities, but also on a sound financial situation which is a prerequisite for achieving its goals. As a non-profit organisation, this is a fine balance between generating income and investing in activities that serve to fulfill our mission. I see the role of the Treasurer as key in this process.

5. How will you coordinate your EHRA appointment with your daily clinical/research workload?

As Chairman of the Education Committee, which is a demanding role, I have proven my willingness and ability to dedicate time and effort to serve EHRA. Taking on these tasks in EHRA despite clinical and research workloads, family activities etc. is possible, but requires personal organization and efficiency.
