Future projects:

Actively contribute to examinations of the European Board in Cardiac Surgery and cardiology for European physicians

The working group organises "The Surgeons Meet the Cardiologists" during the EuroPCR meeting in the spring with live transmissions and "Hot Topics" presentations.

To establish a cooperation program and extend medico-surgical collaboration with eminent European (EACTS – Prof Alfieri) and International scientific organisations (STS, AATS).

Conjoint Sessions with EACTS at ESC
Guest lecture at ESC by EACTS surgeon
Establish common registries/ databases
 Paraprosthetic leaks
 Myomectomy vs alcoholisation

Create a Joint Committee with the European Association of Cardiothoracic Surgery

Encourage fellowship to the ESC (reciprocity with membership to other societies)

"CABG after PCI" - Prof Sidney Chocron

To recruit 4000 pts in 14 centers in an international study register. To determine

1. The influence of PCI on the subsequent CABG
2. The influence of complete revascularisation (arterial or not) on outcome and follow-up with a multivariate analysis.

Follow up by WEB Application, projected cost=5200 €
